OU *unlabeled*

This column is for readers who have questions but don't know who to ask for answers.

"You Ask-You Answer" is for non-cooking questions. When a reader sends in a question, it will be printed in the paper. Readers who know the answer are asked to respond by mailing the answer, which will then be printed in the paper.

Questions and Answers to this column should be addressed to You Ask-You Answer, Lancaster Farming, P.O. Box 609, Ephrata, PA 17522. Attention: Lou Ann Good.

Or, you may e-mail questions and answers to

LGOOD.EPH@LNPNEWS.COM

Please clarify what question you are answering when responding.

Do not send a self-addressed, stamped envelope for a reply. If we receive the answer, we will publish it as soon as possible. Please include your phone number because we sometimes need to contact the person to clarify details. We will not publish your phone number unless you request it. However, if your question requires someone to mail items to you, you must include your address or phone number for publishing.

**QUESTION** — Roy Routzahn, Clear Spring, Md., is looking for someone who knows where to buy processed tobacco stems, leaves, or any tobacco scraps for farm use. Call (301) 745-3557.

**QUESTION** — Ben Kinsinger, Meyersdale, wants to know where to get an old Farmall M Kids pedal tractor, any condition. He also wants a John Deere 60 or other old kids' pedal tractors. Also, wanted is a 1HP 1HC Mogul Gas engine for parts.

**QUESTION** — Wilson Gorrell, Forest Hill, Md., is trying to find information on a single wheel, manual push-type seeder and where to buy the metal seed plates (especially for lima beans). No identification plate can be seen and the planter is estimated to be 40-50 years old. The seed box is round and appears to be cast iron.

**QUESTION** — In Williamsville, New York, outside of

Buffalo, there is a former gas station/minimart of which Polly E. Mathys, Spring City, Pa. is part owner. She writes: "We are selling the ground, and the building will in all likelihood be torn down. In this building are store-type items such as display shelves, a walk-in cooler with five glass door fronts, and five 6-foot-long chest coolers (you know the kind you reach into in the store to get your Popsicle or what-not). The buyer of the ground doesn't want them and neither do we. But rather than get a certified refrigerant remover to come in and then trash all this equipment, we're looking for a food bank, a farm, a produce stand, or whoever to come to Williamsville and claim these items. None of this stuff is new, but to our knowledge, it all worked the last time the electricity was on." Call Polly at (610) 495-6185 for more information.

**QUESTION** — L. T. Burke, Southampton, wants to know where to buy outdoor iron furniture from the 1960s-1970s that is in new or very good condition. He wants straight and rocking chairs.

**QUESTION** — Bruce Natiess, Fleetwood, wants to know if anyone knows of a source to buy replacement tips for the cone on a Woodbuster PTO driven log splitter. Or, perhaps a reader has an extra one to sell. Call (610) 944-9162.
