

Strausstown To Host Antique Auto Show, Flea Market

STRAUSTOWN (Berks Co.) — The 32nd annual Antique Auto Show and Flea Market hosted by the Strausstown Lions Club is Sunday, Sept. 7. The event is conducted in the Strausstown Lions community park located along Route 183, ½-mile south of I-78 Exit 7. All show cars must be pre-registered.

The show car gate is open from 9 a.m. until noon. During that time show vehicles enter the judging field and are placed in their assigned classes. Each vehicle receives a souvenir dash plaque for entering the show.

Area businesses are sponsoring first, second, and third place trophies

to be awarded in the 51 classes for antique, classic, and special interest vehicles manufactured up to 1978. Senior cars, those having previously won a first place award at an Antique Automobile Club of America national meet, will not compete in class judging.

Each senior car is presented a par-

ticipation award for displaying at the show. This year's senior car award is a 1927 Graham Bros. Delivery Truck. Awarding of the trophies is scheduled to begin at 3 p.m. The flea market opens at 6:30 a.m. More than 275 vendors are expected to attend.

Antique gas engines equipment will be operating through out the

day. Local owners will be displaying antique farm tractor and farm toys. An antique John Deere tractor display will be presented by the "Deere Hunters."

Musical entertainment featuring "Six Times Nine" will appear on stage starting at 11:30 a.m.

Spectator admission is \$3 (16 years old and under admitted free). All proceeds are used in support of the blind, the hearing impaired, and for community betterment.

New Holland - First in Grassland Farming

Knock down your biggest fields - FAST

For speed, high-volume capacity, top-quality cutting, and all-day comfort, nothing beats the New Holland Model HW340. It combines New Holland's legendary Speedrower® dependability and top capacity with high-performance Discbine® disc mower-conditioner technology.

- Makes fast work of even the toughest fields – 12-disc modular cutterbar makes a wide 15-1/2-foot cut
- Each disc is an independent module – sealed in its own oil and connected by short, hardened alloy drive shafts – for fast, easy, service and repair
- Exclusive 20-inch auger efficiently delivers cut crop into the conditioning rolls
- 102-inch chevron-design intermeshing rubber conditioning rolls condition crop gently and thoroughly
- Power reverser clears plugs fast
- Conditioning rolls can be easily removed when conditioning isn't needed
- Entire disc cutterhead can be removed and replaced with a New Holland 2300 Series sicklebar header in as little as 30 minutes
- 166-hp turbocharged Genesis™ engine provides plenty of power to knock down your biggest fields fast

NEW HOLLAND

'Silage Special' bales wet or dry

For making 4-ft.-by-5-ft. hay, straw, or silage bales, there's nothing better than the New Holland Model 648 Silage Special. This Roll-Belt™ round baler has everything you need to bale crops your way:

- Bale-Slice™ option (on Fastnet™ models) cuts crop as the bale is formed, making it more dense and easier to feed or grind
- Wide, floating pickup swallows large windrows
- Endless belts—covered by three-year Bonded Protection—provide added durability in tough crops

Ask us about the Model 648 Silage Special today!

NEW HOLLAND

Fluff 3 windrows in one pass

You'll cover acres fast, and bale or chop sooner with the Model 169 tedder. It uses six rotors to ted a wide 22'8" area. That's wide enough to fluff three windrows from a 9' mower-conditioner. Yet transport width is a narrow 9'8" for easy maneuvering. The frame of the "169" is fully articulated, so it hugs the ground to fluff all of your crop for fast drying. And the Digidrive® coupling provides smooth, reliable operation.

Beat the weather with the Model 169. Stop by for details.
