Pasture Perfect® Dealer of the Week: Albright's Feed Mill

This week Ampac Seed Company and Rohrer Seeds recognize Albright's Feed Mill, serving Clinton, Centre, and Lycoming counties. Wade Vonada, owner since 1995 says, "Service is at the core of this business's success, and we pride ourselves on meeting all of our customers' needs with custom mixes and service." A big part of that service is providing livestock and hay producers with the very best in pasture seed. Wade recommends the Pasture Perfect® General Purpose and Mid Atlantic Grazer mixes. The Mid Atlantic Grazer Mix contains high quality grass and legume varieties that have excellent persistence and performance under grazing. They ensure high levels of animal production. The General Purpose Mix is ideal for people who want quality forage products with the flexibility to produce great hay or pasture, and give old pastures a much needed boost.

Pennsylvania Farmers are talking about **Dairyman's Edge®** **PRONUTRIENT**

"There was an improvement in dry matter intake"

"I have been using Dairyman's Edge in my TMR and there is no question that my cows stay on feed better, even in hot weather."

"We had an increase of about 4 pounds of milk after starting on Dairyman's Edge."

"Cows started to eat better right after I started Dairyman's Edge"

"Fresh cows really respond to Dairyman's Edge and I've had less cows "off feed."

"I see a lot less grain in the manure when I use Dairyman's Edge"
