 Sollenberger Silos Corp.

New Holland - First in Grassland Farming

Knock down your biggest fields - FAST

For speed, high-volume capacity, top-quality cutting, and all-day comfort, nothing beats the New Holland Model HW340. It combines New Holland's legendary Speedrower® dependability and top capacity with high-performance Discbine® disc mower-conditioner technology.

- Makes fast work of even the toughest fields – 12-disc modular cutterbar makes a wide 15-1/2-foot cut
- Each disc is an independent module – sealed in its own oil and connected by short, hardened alloy drive shafts – for fast, easy, service and repair
- Exclusive 20-inch auger efficiently delivers cut crop into the conditioning rolls
- 102-inch chevron-design intermeshing rubber conditioning rolls condition crop gently and thoroughly
- Power reverser clears plugs fast
- Conditioning rolls can be easily removed when conditioning isn't needed
- Entire disc cutterhead can be removed and replaced with a New Holland 2300 Series sicklebar header in as little as 30 minutes
- 166-hp turbocharged Genesis™ engine provides plenty of power to knock down your biggest fields fast

'Silage Special' bales wet or dry

For making 4-ft.-by-5-ft. hay, straw, or silage bales, there's nothing better than the New Holland Model 648 Silage Special. This Roll-Belt™ round baler has everything you need to bale crops your way:

- Bale-Slice™ option (on Fastnet™ models) cuts crop as the bale is formed, making it more dense and easier to feed or grind
- Wide, floating pickup swallows large windrows
- Endless belts—covered by three-year Bonded Protection—provide added durability in tough crops

Ask us about the Model 648 Silage Special today!

Fluff 3 windrows in one pass

You'll cover acres fast, and bale or chop sooner with the Model 169 tedder. It uses six rotors to ted a wide 22'8" area. That's wide enough to fluff three windrows from a 9' mower-conditioner. Yet transport width is a narrow 9'8" for easy maneuvering. The frame of the "169" is fully articulated, so it hugs the ground to fluff all of your crop for fast drying. And the Digidrive® coupling provides smooth, reliable operation.

Beat the weather with the Model 169. Stop by for details.
