**The One Spreader
Rugged Enough For Lime,
Precise Enough For Fertilizer.**

You know how tough it is to spread wet lime. And fertilizer is too expensive to waste. Our new 56i spreader does both jobs with ease. Plus, it has no equal when it comes to spreading "sloppy" material.

Stoltzfus Spreaders have been known as unique, "top-of-the-line" ag spreaders since 1947.

Farmers are still using Stoltzfus Spreaders they've had 20 years or more. That means your investment in a versatile Stoltzfus Spreader will add up to a very smart buy indeed.

Call or write today for a free brochure and the name of the dealer nearest you.
