Match A Spreader To Your Needs

Without Making Yourself Too Thin

Get Unmatched Flexibility At A Great Price.

With eight sizes to choose from and a wide variety of options, it's easy to see how the New Idea® 3700 Series Spreaders meet the needs of any operation. Their aggressive, main beater paddles are strategically spaced and angled to shred a wide range of material while giving you a consistent spread pattern

Culvert-grade galvanizing over one-piece, copper-bearing steel sides provide a barrier

against rust and corrosion. And for hauling long distances, the truck-mount option proves to be the safest, most economical way to transport large amounts of material

To see how simple it is to customize your spreading operation, contact your AGCO® New Idea dealer today. You'll be surprised how much time and money you'll save with the New Idea 3700 Series Spreaders.
