519-274-5452 (cell)  
519-662-3205

**BEEF TIPS**  
Temperament is an important characteristic for beef cattle. The Simmental's gentle nature can be traced back to the breed's initial use as draught animals where constant handling and control was required. European herds are quite small and contact with the cattle during grazing, milking, etc occurs daily. Wild or unruly animals were routinely culled over many generations.
