

Join The Corn Growers Association

STATE COLLEGE (Centre Co.) — Joining the Pennsylvania Corn Growers Association (PCGA) is easier than ever. A one-year membership is just \$30. You can join online at <https://gims.ncga.com/MEMBERNEW/Default.asp> or simply fill out the membership form and send to our address.

PCGA is continuing the Membership Incentive Program (MIP) this year. The theme of the program is "Try Something New."

Take this opportunity to experiment when you choose your free bag of seed corn. This seed corn company sponsored program entitles any PCGA/NCGA corn grower,

who plants at least five acres of corn with a 3-year new or renewed membership, to a free standard size bag of seed.

To participate, simply complete the membership form indicating the brand of seed corn you would like to try, along with your check for the 3-year membership. You will then receive a certificate for a free bag of seed from the

and they will contact you.

In addition, you'll be joining thousands of other growers across the country who are showing their support for the corn industry. Locally, you'll be supporting PCGA's activities such as *Corn Talk*, our corn or crops conference, and local corn promotion activities.

cruited a minimum of five new members in Pennsylvania for each month. In January, the prize will be a Palm Pilot. In February, the prize will be a \$300 gift certificate to Sears. In March, the prize will be a gourmet ham plus a \$100 gift certificate for groceries at a local supermarket.

To participate, make copies of the PCGA membership form in *Corn Talk*. Ask folks to complete the membership form and put your name on the Recruiter line on the bottom, and then send the form to the PCGA office. Or they can join online (<https://gims.ncga.com/MEMBERNEW/Default.asp>) and enter your name in the appropriate line on the application. We'll keep a record of the awards and send the prize to the qualifying recruiter at the end of the month.

Membership Program Awards Prizes For Recruiters

Now you can help the PCGA get new members and win some valuable prizes.

The PCGA is participating in a new membership program sponsored by NCGA and Syngenta to reward folks who recruit members for our association. To qualify, you need to recruit five new members in one of the next three months.

Prizes will be awarded to the top recruiters who have re-

sponsoring company of your choice, along with your membership card from NCGA.

In consultation with the local seed corn dealer, you make the ultimate decision about which hybrid you will receive from the company you have selected. PCGA will send the names and addresses by brand chosen to the appropriate seed corn company's statewide contact person
