The Schuylkill County Agricultural Museum will be having Antique Tractor Pulls at the Schuylkill County Fairgrounds on Sat., October 25th at 11 a.m. The Antique Tractor Pulls held in October have been a tradition for many years. The first Tractor Pulls at the Schuylkill County Fair were held this year with the possibility of expanding to include 4 wd pickup trucks, mini modified tractors, and some later model tractors in the future. The Ag. Museum will be open for tours all day. Featured in the museum will be many antique gas engines including a 1906 Bessemer gas engine weighing 14,000 lbs. that was donated to the museum by a local family that owned a feed mill in western PA. It has been totally restored and will be in operation periodically throughout the day. Also on display will be an original Conestoga Wagon along with other antique farm machinery.

Admission to pull and museum is Free.

Anyone interested in competing in the tractor pull may call Kevin Berger at (570) 739-4263 for details. Tractors must be manufactured prior to 1960. A fee of \$7 per hook will be charged to compete. Registration starts at 9 a.m.
