PA farmers have great hay crops with South Dakota alfalfa seed Paunterland Farms, Westfield, PA, John Paunter said "The Trask seed grew extremely well. We recommend it to anyone. It is real leafy and yielded as well as any of the high priced name brand seeds. It cost 40% as much. We planted 294 acres We intend to plant more this spring. It was exceptionally winter hardy and resisted frost damage. We are very pleased."

E. Stoltzfus from Lancaster County has planted a more expensive name brand seed next to Trask Seed and sees no difference
