Northeast Eggs

Atlanta, Georgia

Report Supplied by USDA
October 30, 2003

Prices were unchanged, however, the larger sizes were trending higher. The market tone was fully steady. Demand into all outlets was moderate to fairly good. Supplies were adequate to close for trade needs. Breaking stock offerings were short to adequate for the fair demand. Light type hens were about sufficient for processing requirements.

It's Time To Lime!

You know how tough it is to spread wet lime. And fertilizer is too expensive to waste. Our new 56i spreader does both jobs with ease. Plus, it has no equal when it comes to spreading "sloppy" material.

Stoltzfus Spreaders have been known as unique, "top-of-the-line" ag spreaders since 1947.

- Press-wheel ground drive
- Walking-beam suspension
- Corrosion-proof steel hopper
- UHMW plastic floor
- Lime: 3 tons / acre max.
Fertilizer: 125 lbs. / acre min.

Farmers are still using Stoltzfus Spreaders they've had 20 years or more. That means your investment in a versatile Stoltzfus Spreader will add up to a very smart buy indeed.

Call or write today for a free brochure and the name of the dealer nearest you.

2004 AG DIRECTORY

The year 2004 marks the fourth annual *Lancaster Farming Ag Directory*.

Looking for the experts in field and barnyard management? Looking for the leaders for crop and farm financial planning? Then you've come to the right place.

For 2004, *Lancaster Farming* plans a new portion of the book - Call On The Experts. It's a component of our Ag Directory helpful for those seeking answers - right at your fingertips. The directory is scheduled in the Dec. 27 issue.

In 2003 the Ag Directory totaled 152 pages and was jam-packed with contact names, numbers, addresses, and even Websites from agriculture in our eight state region including Pennsylvania and surrounding states. The essential reference book will include more names, addresses, phone numbers, and Web addresses than ever before.

Make the 2004 *Lancaster Farming Ag Directory* your source of expert information from the more than \$50 billion regional ag industry.
