The Rovendales Made a Special Trip to Minnesota to See This New Unloader Work and We Know - If You Can Put it in Your Silo the TurboTrax Can Get it Out.

HANSON™ TURBOTRAX™
Ring Drive Silo Unloader

NEW!

A revolutionary concept. NO traditional blower - high capacity output of feed - even long cut and varying moisture levels

Available in 16' to 30', 1 or 3 cables

The secret is a pair of snowmobile tracks that brings feed from the augers to a conveyor and out the door.

Sales & Service
