**Give Thanks to the Lord**

At an early age, children are taught to say "thank you" when they are given something. Parents try to instill in their children the feeling of being grateful and the importance of acknowledging when someone does something good for them. Children learn by our example as well as our words, and they are quick to imitate their parents' habits. Thanking those who have been good or helpful to us is common courtesy. We should also be expressing our appreciation to God for his many blessings. Recognizing God as our sustaining source of life, and being appreciative of His great love will draw us closer to Him and help us to be better people. A sincere and honest "thank you" is a blessing to the giver as well as to the receiver, and it indicates that a person's good deed or helpful action was not in vain.

*O give thanks unto the Lord, for He is good, for His mercy endureth forever.*  
K.J.V. Psalm 107:1

*We at BHM Farm Equipment would like to take this time to thank the Lord for His bountiful blessings and thank everyone for their patronage and friendship.*

**Happy Thanksgiving**
