PA farmers have great hay crops with South Dakota alfalfa seed Painterland Farms, Westfield, PA, John Painter said "The Trask's seed grew extremely well. We recommend it to anyone. It is real leafy and yielded as well as any of the high priced name brand seeds. It cost 40% as much. We planted 294 acres. We intend to plant more this spring. It was exceptionally winter hardy and resisted frost damage. We are very pleased!"

"We grow & sell over 400,000 tons of hay each year all over the USA South Dakota Common Alfalfa is superior to any variety and we challenge all comers to prove better in our field. We buy South Dakota Common from the Trask's & encourage others to do the same!"
