

# Reduce Your Tax Liability

## NOW is the time to think about it!

You could qualify for up to a **\$100,000 tax write-off** as a result of the Jobs and Growth Tax Relief Reconciliation Act of 2003. And your unused balance can be forwarded into other tax years until fully used.

In addition to Harvestore® and Slurrystore® structures, replacement unloaders and pumps qualify.

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of Engineered Storage Products Co.
