

SLURRYSTORE®

28 Years of Storage Solutions for the New Millennium Farmer

If you own a Slurrystore and need more waste storage, but think your Slurrystore is not expandable, call us. Advancements in engineering now make it possible to extend many Slurrystores originally built as "non-expandable." Penn Jersey is the authorized Slurrystore dealer for Pennsylvania, Maryland, New Jersey, Delaware, New York and all of New England. We can also help you determine if you are eligible for a cost sharing grant to expand your structure. There's no reason to delay!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location.
