ARRIVALS AND DEPARTURES OF THE MAIL TO AND FROM WAYNESBURG. From Washington Pa. to Waynesburg, arrival daily 7 1/2 p. m. (except Sundays), departure daily, 11 1/2 p. m. (except Sundays).

NEW ADVERTISEMENTS.—The attention of our readers is specially directed to the following advertisements, which appear for the first time in our paper to-day.

West Virginia College. Surgis & Wagner. Bounty Tax Report. Preliminary Notice. Registrar's Notice. Special Notice.—The Herbalist.

Mishler's Herb Bitters for Dyspepsia, at G. W. Roberts & Co's. Drug Store. That "Jig."—A fancy jig was danced in front of the Court House the other day, to the evident satisfaction of a select few of the public square loafers and "Court House Oill-dals."

A splendid assortment of Perfumery and Toilet Soaps at G. W. Roberts & Co's. Profits.—We noticed last week that on a single vine in McCurdy's garden 176 tomatoes were counted. Since then forty more have been developed.

Barrett's Hair Restorative, for sale at G. W. Roberts & Co's. Drug Store.

Not So!—It has been reported that the "Camp Ground" Coal Works had "played out." Our energetic friend "Bob" says he has an abundance of coal ready, and advises his customers that now is the time to procure their winter's supply, whilst the roads are good and coal is cheap.

NEWTONS LOTTERY.—The drawing of this famous scheme took place in Newton on Thursday last. We have not been able to learn much about the results, except that there were many people there, that the Newton boys were very lucky, and that there was much tangle-foot punished, and consequently some bloody noses.

Paints, dry and in oil, at G. W. Roberts & Co's. Drug Store.

ACTION AT OAK FOREST.—The entire stock of goods of the late firm of Call, Roberts & Co. will be sold at auction, commencing on Thursday, August 22, 1867, and continuing from day to day until the entire stock is disposed of. Terms made known on day of sale.

THE MONONGAHELA SLACKWATER.—The Monongahela City Republican, of Thursday, speaking of the repairs being made on the Monongahela slackwater, says: "Repairs have so far advanced at Lock No. 4 as to admit the passage of craft, but the water is too low to afford facilities for any but the very lightest flats. Moreover, repairs are about being commenced at Lock No. 3, and the water will be drawn from pool No. 2. There is but little indication of the resumption of navigation before the middle of September. In the meantime a tight draft is making some weekly trips.

THE MIDDLE OF THEM.—The delectable but not delicious dog days in whose sun sphere we are now revolving—embrace the time intervening between the 10th of July and the 28th of August. They are so called because the great dog star in the heavens was observed by the ancients to rise and set with the sun during that time.

THE PRESS, a new Republican organ, has made its appearance in Butler, Pa. It is edited by Mr. William Hallett, and the first copy presents quite a handsome appearance.

Rev. W. B. Watkins, A. M., pastor of the Methodist Episcopal Church in Washington, Pa., has been invited to deliver the annual address before the Philo & Union Literary Society of Waynesburg College, September 10th, 1867. Mr. Watkins is one of the most popular lecturers in the denomination.

THE PITTSBURGH ANNUAL CONFERENCE of the Methodist Church will meet in Uniontown, Fayette county, on Wednesday, September 4.

COAL! COAL!—Always on hand at the Ten Mile Coal Works—nearest works of all to town—along new pike. SAYERS BROS.

FATAL ACCIDENT AT LOCK NO. 4.—Two men killed.—A distressing accident occurred at Lock No. 4, on the Monongahela river, a short distance above Monongahela City, on Saturday last, resulting in the injury of three men, two of whom have since died. It appears that some workmen were engaged in cementing the Lock, and had erected a temporary floor near the top of it, to work on. The floor was covered with a large quantity of sand and cement. When the terrific rain storm came up, on Saturday, the workmen, to avoid the rain, went under the covering of the floor. They had been under it but a short time when the flooring, from the heavy weight caused by the rain mixing with the sand, gave way, and fell upon them. One of them, an old man named John Wilcox, had his back badly injured, his shoulder blade broken, his neck and head badly hurt, and he was otherwise so seriously injured, that he has since died. A man named Henry Melch had the spinal marrow broken about the middle of the spine, and died from the effects of his injuries yesterday. He was an unmarried man, about thirty years of age, and had lately arrived in this country from Germany. Another man, a German named Godfrey Rohler, had his back crushed, causing him intense pain, although he is not dangerously injured. There were others under the covering, but they escaped unhurt.—Pitt. Com.

All the best Patent Medicines sold at Braden's Drug Store.

CHIEF LIVINGS.—Roasting ears at ten cents per dozen. They are just as good, however, as though they cost a quarter.

THE Blackberry season is again over, and many of our farmers are preparing their ground for the next year's crop! It is a paying business!

THERE will be a Grove Meeting at Davis-town, this county, commencing August 22nd, to hold over Sunday, under management of Rev. M. M. Eaton, assisted by R. V. George Orbin, Rev. S. Hull and other ministers. Rev. S. Wakefield, D. D., is expected on Sabbath.

"DYED IN THE WOOL."—The perfect stagnation in the wool trade has collapsed, and wool men are on the qui vive again, many to sell and a few to buy. Though the trade has revived, prices are not buoyant. But, paradoxical as it may seem, men that once refused 56 cts. per lb. now manifest a readiness to accept 50. We are pleased to see our people accommodate themselves to the "reconstructed" markets with such good grace.

Flavoring Extracts, the very best, at Braden's Drug Store.

"S. H."—We see these mystic letters chalked on one of the chimneys of the court house. As the Commissioners have just completed painting the outside of the structure, a job, by the way, commenced some years ago, we interpret these letters to indicate "Some House!"

A fine assortment of Perfumery at Braden's Drug Store.

HOG CHOLERA.—We read of the renewed ravages of the hog cholera in certain localities. If it were *dog cholera* we would invite its visitation.

DOGS AND HOGS, CATS AND RATS.—Nearly every family in Waynesburg has a sow and shoats running loose on the streets, and a cur and a cat to keep them out doors. Ditto rats and cats to say nothing of fleas. We do enjoy a happy existence!

Hall's Hair Restorer, for sale at Braden's Drug Store.

DEDICATION OF THE BATES FARM BAPTIST CHURCH.—This new Baptist Church, which has been erected on the farm of Thomas W. Taylor, Esq., in Washington township, Greene county, Pa., was dedicated to the worship of Almighty God, on Thursday, August 15, '67. Ministers present: Revs. A. J. Collins, S. Kendall, J. Rossel, C. Tilton, H. K. Craig, H. Stewart, J. S. Yoders and M. Tilton. Chairman, M. Tilton; Secretary, C. Tilton.

The following is a short synopsis of the exercises: 1. Reading the Scripture, 1st Kings, 8th chapter, by Rev. C. Tilton. 2. Singing. 3. Introductory prayer, by Rev. H. K. Craig. 4. Dedication sermon, Pa. 81 chapter, 10th verse, by Rev. A. J. Collins. 5. Dedication prayer, by Rev. S. Kendall. 6. Benediction, by Rev. J. Rossel.

SOLDIERS' MONUMENT.—Can not some scheme be devised by which Greene county can do her gallant soldiers the honor of erecting a monument to their memory? If there be not patriotic, grateful and enterprising enough in the male portion of our citizens to make the matter even a subject of serious consideration, we suggest that *the ladies take it in hand*. It is a crying shame that we do not pay this noble self-sacrificing band this poor tribute of respect.

Fayette county is raising means to affect the same object by contributing to a Lottery scheme which we regard as a somewhat novel and useful method, both as to sound morals and disinterested patriotism. Let a County Meeting be called and an active committee appointed for each township to solicit subscriptions and the means will be forthcoming. Our people are neither too ungrateful nor too parsimonious. All that is necessary is to put the enterprise in practical shape, and it will be an accomplished fact.

SMALL-POX.—Though there have been a few cases—a half a dozen at most—of small pox of a mild form in Waynesburg, there has certainly been no ground for the fabulous stories so prevalent in the country. Some weighty persons have silly circulated imaginary reports which with singular credulity have been believed. In one instance it was currently reported that there were sixty cases here. In a family of only six persons, *eleven* were said to be down with the disease. In another instance it was reported that a certain man's children had all died with the disorder, when, as the fact is, he never had any children. Also, it was said two or three of our *old school* wives died with it, and so on. The truth is, we have had but one death, that of a colored man, who, it is now ascertained, had not proper attention. The other cases have all recovered, or are convalescing. No new cases have yet developed themselves, and it is now hoped its spread will be prevented, as our citizens are taking the precaution to have their families all vaccinated which is considered a sure preventive.

"STILL THEY COME!"—Notwithstanding the river has dried up and that communication is cut off, Evans is still receiving supplies of fresh Dry Goods and Groceries, and is selling them at killing cheap rates. He has just opened a choice stock.

OUR JAIL is without a tenant. Either our people are very good or the jail very full. The latter, we think.

SHAW, supposed to be the principal actor in the Cookstown murder, returned home last week and was committed for trial.

"BLESS'D BE THE MAN WHO FIRST INVENTED SLEEP," quoth Sanchez Parza. Sleep has often been "murdered," not in Macbeth's case only, but in many modern instances, by Indigestion, Nervous Disorders, Headache and a host of other complaints. For all such there is a remedy, and sufferers may now exclaim, "Bless'd be the man who invented the PLANTATION BITTERS!" This delicious Cordial and Tonic is now hailed by millions as the great Health Giver and Restorer. Resolve to buy a bottle, and don't "sleep on it." "Be wise in time."

MAGNOLIA WATER.—A delightful toilet article—superior to Cologne and at half the price.

WISDOM.—Since the brutal murder of John Evans, the peace and order loving citizens of Cookstown have held a public meeting to devise measures to prevent the repetition of such crimes in their midst. Among other things suggested they recommended the Town Council to petition the Court to revoke all licenses to sell ardent spirits in the place.

SAC ACCIDENT.—Mr. Robert Ferguson, a young man twenty-one years of age, a resident of Stuberfield, was instantly killed on Tuesday afternoon, August 6th, near Bowerstown, by the upsetting of a peddling wagon.—Wash. Reporter.

At an election of the "Vigilant" Lodge of Independent Good Templars, for the quarter commencing August 1, 1867, the following named officers were elected:

W. C. T. Jos. Yeater; W. V. T. Mrs. Stanton; W. S. W. E. Parlinson; W. T. Mrs. Jones; W. I. G. Miss Stone; W. O. G. J. Bellor.

The following subordinate officers were appointed: W. C. Jas. Best; W. A. S. Capt. L. Grim; W. F. S. J. N. Miller; W. M. Jno. A. Lindsey; W. D. M. Miss Downey; W. R. H. S. Miss Lizzy Widney; W. L. H. S. Mrs. Kate Rogers.

The Lodge is doing good in a flourishing condition and is going to give service in the Temperance Reform.

BEAT TO MORGANTOWN.—We understand the "Old Line" folks are building a beautiful little passenger and freight Boat, drawing but a few inches of water, to ply between Geneva and Morgantown, and that she will be ready for business in a few weeks. She will connect with the present boats to Geneva, and we are authorized to say, that when the water is too low for the large Boats, she will run clear through to Pittsburgh, or to where the water is sufficient to float the large Boats.—Monongahela Republican.

NOTICES OF MARRIAGES AND DEATHS inserted free of all Tributes of Respect and Obituaries charged eight cents a line. The money must be advanced to secure their insertion.

HARN.—At his residence in Greensboro, on Tuesday, August 18th inst., Mr. J. W. Harn, aged about 50 years.

MOREDOCK.—At his residence in Greene township, this county, on the 31st day of July last, Mr. John Moredock, aged 91 years, nine months and seventeen days.

The deceased was among the oldest and most esteemed citizens of the county.
