MORGANTOWN, W. VA.	OUR NEW FAMILY MACHINE,  Has been over two years in preparation, and which has been brought to perfection regardless of time, labor or expense, and is now confident- ity presented to the public as incomparably the best Sewing Machinean existence.  The Machine in question is simple, compact, durable and beautiful. It is quiet, light running and capable of performing a range and variety of work never before attempted upon a single Machine—using either Silk, Twist, Linen or Cot- ten Thread, and sewing with equal facility the very finest and coursest materials, and snything between the law estremes, it the most beautiful and substantial mannor. Its attachments for Homming, Brudting, Cording, Tucking, Quilt- ling, Filing, Trimming, Bludting, etc., are Novel and Fractical and have been invented and ad- justed especially for this Machine.  New designs of the unique, useful and popular biding tops and cabinet cases peculiar to the Machines manufactured by this Company have been prepared for enclosing the new Machines.  These are gotten up in every variety of wood, such as Black Walnut, Maingamy, Rosewood, and the like, and from the plainest to the most claudotate pattern and finish—the Machines themselves being more or less highly ornament- ed, to correspond with the Tables or Cabinets for which they are intended.
