## The Waynesburg Republican.

Strater Enterrors. There are scores of had met to barrer, and trade, and talk, not to have become a household friend. little boys, from six to twelve years of agg, hear old songs sunz. And while the aforesaid who are nightly permitted to roam about the town until a late hour. These lads are acquiring educations on the street that will prepare them to fill positions, in future years, in the workhouse or penitentiary, if not to end their career upon the gallows. They are apt scholars, and little fellows who have not yet learned the alphabet can roll out the longest profine words known in the billingsgate dictionary, while obscene language proceeds that the rattle of martial music caused a palfrom their lips with a flippiney and familiarity lor, as of a hosted system exposed to the that would do credit to scholars of a riper age | draft, to overspread the countenance of the educated in the schools of vice. Night after faint hearted. The epithets of "butcher," night small boys may be seen running at "murderer," "dietator," "tlar," etc., merel large on the streets, indulging in acts that but lessly applied to the Here of Appamattox by few dream of. They are away from home influences, and laying a foundation for evil that will utterly destroy and root out what the fine feeling developing itself with men ever good influences may have been thrown who wear the livery of Democracy. It was around them. Among these children we amusing on the part of the Demathenes, and notice those who have highly respectable and pious parents, who little dream of the conduct one carnestly declare "they must at talk so during the evening hours. The fault is not. To make things yet man deplorable, the GREAT BARGAINS: to be traced to the children, because we know Brass Burt, during the western, discoursed they are prone to see evil companions and to do acts of which their undeveloped judgments own amusement and that of the crowd, which cannot fully teach them the terrible conse- had the effect of compelling them to ballow to quences. The fault lies with parents in permitting them to be on the streets at night, in companionship with the vicious and the vile. It is a reckless disregard of their high and holy trust. We ask parents to consider this matter-to realize that they are responsible, in a great measure for the fature conduct of their children-and to exercise their parental authority in such a way that our street schools shall no longer be crowded with infant pupils. Their place is in bed, or forming a part of the family circle, and not on the streets, indulging in acts of mallelous mischief, and shocking the moral sense of the public with profane and valgar language. There is truth, if not poetry, in the old couplet-

"Just as the twig is bent, The tree's inclined."

goods, for the next three or four weeks. Pose ! Guiher is closing out his entire Stock of goods, from six to seven thousand dollars worth of cash. Regardless of cost.
