**CONSUMPTION AND SPITTING BLOOD.**

See the certificate of Mr. Turner H. Ramsey, for many years proprietor of the Farmers' Hotel, Fredericksburg, Va., and late of the City Hotel, Richmond, Va. Dr. John Minge, of the City of Richmond, though a regular physician, and of course opposed to what he called quack medicine, was obliged to say, that the good effects in the case of Mr. Ramsey, were wonderful indeed.

He had been given up by several physicians; had tried most of the quack medicines, and was on the verge of despair, as well as the grave, when he tried Carter's Spanish Mixture, and was cured.

We refer the public to his full and lengthy certificate around the bottle, stating his cure. See advertisement.
