Bedford Academy FEMALE SEMINARY REV. JOHN LYON, PRINCIPAL. W. W. CAMPBELL, A. B., Associate Principai.

THE first session of the fourth school year of this Institution will open on the first Monday of September, 1854. The postponement has arisen from the desire of the Principal to commence and prosecute the studies of the school year in the most vigorous manner and with the corps of Instruction unbroken. Mr. W. W. CAMP-BELL, who has been associated as Permanent Assistant in the 'Academy, cannot be present until the time fixed upon ; and the Principal feels that his own health requires the fullest vacation that circumstances will justify.

The present school year opens auspiciously. The Principal looks forward with confidence, under God's favor, to its efficiency and success. With enlarged experience and invigo-

rated health, with the Teacher of his choice, who has already commended himself to the attachment and confidence of this community, and with a corps of students already drilled and animated with some generous enthusiasm ing.
