

There are few things which afford us greater pleasure than sitting down to write a notice of the celebrated Hoodlum German Bitters, because we are fully conscious we are conferring a public benefit, and our heart tells us that by our notices many have been induced to take these Bitters, and been rescued from death by Dyspepsia, Liver Complaint, &c., for the cure of which it is certain. It is prepared and sold only by Dr. C. M. Jackson, at the German Medicine Store, No. 120 Arch street, Philadelphia.

The Lungs.—The lungs are the most liable of all the organs of the human body to take disease, especially in the winter, owing to the cold and variable state of the weather, which causes obstructions of the skin; the humours are driven in upon the interior, hence coughing and shooting pains in the breast are experienced. To any afflicted in this way, we would in the way of salutary advice say, buy Dr. Keyser's Pectoral Syrup. Take it according to directions, and you will get well.

Truth is Mighty!
Important news for the Invalids of Albany!
PULVERMACHER'S
HYDRO-ELECTRIC VOLTAIC CHAINS.
A New, Novel, and strictly Scientific Mode of applying Electro-Magnetism for the Instant Relief and Permanent Cure of all NERVOUS DISEASES.

Is for the first time introduced to the people of Albany and vicinity. We know that there is too much good sense among the inhabitants of this place to desire a long, unmeaning, extravagant advertisement; hence we shall simply give you a history of the Chains, and the success they have had in curing within the last year, NERVOUS DISEASES.

Pulvermacher's Electric Chains were first used in France, three years since, where the success that attended their use, soon attracted the attention of the first medical men in Paris, who took pains to give them a still further trial, and recommended their adoption in the different Medical Colleges of that Kingdom. Within the last two years they have been introduced in Germany, Austria, Prussia, Belgium and England, where they soon became the most popular article for the INSTANT RELIEF AND PERMANENT CURE of that class of diseases called NERVOUS.

One year since they were introduced into the United States, and can now be found in all the principal cities in the Union. It is necessary to speak at length of their great success and unparalleled success, wherever they have been introduced. It is sufficient to state that they are highly recommended by Professor Mott, Van Dieren, Post and Carnochan, of New York, and also in daily use in every Hospital in that City. \$1,000 dollars will be given to any person who will produce so many well authenticated certificates of cure, from intelligent patients and scientific physicians, of the following diseases, as may be found in a pamphlet of 36 pages, to be had (gratis) of the only agents in Albany, DEXTER & NELLAGER.

Painful and Swollen Joints. Palpitation of the Heart. Rheumatism. Neuralgia of the Face. Nervous Headache. Deafness, Blindness. Dy-pepsia, Indigestion. General Debility. Nervous Cough. Female Diseases. Protrusion Uteri. Tooth Ache.

It is not strange that the application of Electro-Magnetism will instantly relieve pain, wherever located, more quickly than opium or any of its compounds—for it is based upon the true theory of the origin of pain—a lack of the nervous fluid, which the Chains supply, by being applied over the parts affected, and first being moistened with common vinegar, which is the only preparation necessary.

The common sense of the people all over the country is awakening, and they have concluded that they will no longer make drug shops of their stomachs, or be guilty of swallowing the miserable, disgusting medicine that are thrust upon them. **RHEUMATISM**, that common disease of this climate, can be almost instantly relieved of its pain—and a permanent cure produced, by simply applying a chain of 18 links for a few days, a few hours each day.

PROLAPSUS UTERI.
More than one hundred cases of this disease have been cured within the last year, that had baffled every other mode of treatment, by wearing a 30 link chain for a few weeks, by attaching one end upon the spine and the other on the abdomen. After a simple application the worst symptoms disappear, and the patient soon gains flesh and strength. I do not know of one single instance that has not been greatly benefited, if not permanently cured.

USE WORD OF CAUTION TO THE LADIES.—Ladies who are ENDEAVOURING, are requested to wear them only for a few moments at each application, for by long and frequent use MISCHIEF is often produced.
