

CONSUMPTION AND SPITTING BLOOD.—See the certificate of Mr. Turner H. Ramsey, for many years proprietor of the Farmers' Hotel, Frederick, Va., and late of the City Hotel, Richmond, Va. Dr. John Minge, of the City of Richmond, though a regular physician, and of course opposed to what he called quack medicines, was obliged to say that his good effects in the case of Mr. Ramsey, were wonderful indeed.

He had been given up by several physicians; had tried most of the quack medicines, and was on the verge of despair, as well as the grave, when he tried Carter's Spanish Mixture.

We refer the public to his full and lengthy certificate around the bottle, stating his cure.

There are few things which afford us greater pleasure than sitting down to write a notice of the celebrated Hoodland German Bitters, because we are fully convinced we are conferring a public benefit, and our heart tells us that by our notices many have been induced to take these Bitters, and been rescued from death by Dyspepsia, Liver Complaint, &c., for the cure of which it is certain. It is prepared and sold only by Dr. C. M. Jackson, at the German Medicine Store, No. 120 Arch street, Philadelphia.

THE LUNGS.—The lungs are the most liable of all the organs of the human body to take disease, especially in the winter, owing to the cold and variable state of the weather, which causes obstructions of the skin; the humors are driven in upon the internal organs, hence coughing and shooting pains in the breast are experienced. To any afflicted in this way, we would in the way of salutary advice say, buy Dr. Keyser's Pectoral Syrup. Take it according to directions, and you will get well.

Important news for the Invalids of Albany!
FULVERNACHER'S
HYDRO-ELECTRIC VOLTAIC CHAINS.
A New, Novel, and strictly Scientific Mode of applying Electro-Magnetism for the Instant Relief and Permanent Cure of all NERVOUS DISEASES.

Is for the first time introduced to the people of Albany and vicinity. We know that there is too much good sense among the inhabitants of this place to desire a long, unmeaning, extravagant advertisement; hence we shall simply give you a history of the Chains, and the success they have had in curing within the last year, NERVOUS DISEASES.

Pulvernacher's Electric Chains were first used in France, three years since, where the success that attended their use, soon attracted the attention of the first medical men in Paris, who took pains to give them a still further trial, and recommended their adoption in the different Medical Colleges of that Kingdom. Within the last two years they have been introduced in Germany, Austria, Prussia, Belgium and England, where they soon became the most popular article for the INSTANT RELIEF AND PERMANENT CURE of that class of diseases called NERVOUS.

One year since they were introduced into the United States, and can now be found in all the principal cities in the Union. It is necessary to speak at length of their great success and unparalleled sale, wherever they have been introduced. It is sufficient to state that they are highly recommended by Professor Moit, Van Buren, Post and Carnochan, of New York, and also in daily use in every Hospital in that city. \$1,000 dollars will be given to any person who will produce so many well authenticated certificates of cure, from intelligent patients and scientific physicians, of the following diseases, as may be found in a pamphlet of 36 pages, to be had (gratis) of the only agents in Albany, DEXTER & NELLAGER.

Painful and Swollen Joints
Neuralgia of the Face
Nervous Headache
Dyspepsia, Indigestion
General Debility
Female Diseases
Tooth Ache
Prolapsus Uteri.

It is not strange that the application of Electro-Magnetism will instantly relieve pain, wherever located, more quickly than opium or any of its compounds—for it is based upon the true theory of the nerves, and makes drug-drops of the stomach, or the guilty of swallowing the miserable, disgusting no-truans that are thrust before the public.

RHEUMATISM, that common disease of this climate, can be almost INSTANTLY relieved of its pain—and a permanent cure produced by simply applying a chain of 18 links for a few days, a few hours each day.

PROLAPSUS UTERI.
More than one hundred cases of this disease have been cured within the last year, that had baffled every other mode of treatment, by wearing a 20 link chain for a few weeks, by attaching one end upon the spine and the other on the abdomen. After a simple application the worst symptoms disappear, and the patient soon gains flesh and strength. I do not know of one single instance that has not been greatly benefited, if not permanently cured.

On the evening of the 22d of August, after a long illness, departed this life in the 27th year of her age, **MARIA KEENE**, daughter of the late John Keefe, of Bedford Township. It pleased the Almighty to try her with a painful and protracted sickness, which she bore with most exemplary patience and submission to the Divine will. She was so much detached from earth and attached to her heavenly interests, that she was most willing and ready to be dissolved and to be with Christ, and her anticipated removal hence gave her far more pleasure than pain. Sustained by spiritual aids, and the consciousness of having well fulfilled the duties of life and all the endearing relations of daughter, sister, friend and neighbor, she could smile on the stealthy approach of the last messenger. Though moved down in the prime of life, like some delicate flower, she was truly ripe and ready for removal to a more congenial climate, even that blessed land where such virtue, such innocence will never more experience decay or extinction; but flourish on in ever increasing growth and ever new development. "The souls of the just are in the hands of God and the torment of death shall not touch them." * * * their hope is full of immortality.

In South Woodbury Township on the 4th of August, Mr. **DAVID BARLEY**.
