THE STOMACH prepares the elements of the bile the blood; and if it does the work feebly and imand the blood; and if it does the work feebly and im-perfectly, liver disease is the certain result. As soon, therefore, as any defection of the liver is per-ceived, we may be sure that the digestive organs are out of order. The first thing to be done is to admin-ister a specific which will act directly upon the sto-mach-the mainspring of the animal machinery. For this purpose we can recommend Hoofland's Ger-Bittee prepared by Dr. C. M. Jackson, Philaman Bitters, prepared by Dr. C. M. Jackson, Philadelphia. Acting as an alternative and a tonic, it strengthens the digestion, changes the condition of the blood and thereby gives regularity to the bowels. See advertisement.

GREAT CURE FOR RHEUMATISM .- The Editors of the Richmond Republican, of Dec. 24th, 1852, says that Carter's Spanish Mixture is no quack

medicine. They had a man in their press room who was af-flicted with violent Mercurial Rheumatism, who was continually complaining of misery in the back, limbs and joints;-his eyes had become feverish and mattery, neck swollen, throat sore, and all the symptoms of Rhenmatism, combined with Scrofula. Two bot-tles of Carter's Spanish Mixture cured him, and, in the of Carter's Spanish Shixture cared him, and, in an editorial notice as above, they bear testimony to its wonderfol effects, and say their only regret is, that all suffering with disease of the blood are not a-ware of the existence of such a medicine. Dr See their certificate and notice in full around the bottle.
