DR. KEYSER'S PECTORAL SYRUP.-This is the Dr. Keyser's Pectoral Syrep.—This is the name of a new article in the way of medicine, prepared by Dr. G. H. Keyser, Wholesale Druggist, 140 Wood street, Pittsburgh, Pa. It is prepared to core the various diseases of the Lungs and Bronchial Organs, such as Coughs, Colds, Hoarseness, Bronchits, Asthma, and Sore Throat. It has been highly spoken of by the Pittsburgh Press, is pleasant to lyse, and costs but half a dollar. Sold in Bedford by Rapp & Oster, in Schellsburg by Colvin & Robinson.

THE STOMACH prepares the elements of the bile and the blood; and if it does the work feebly and imperfectly, liver disease is the certain result. As soon, therefore, as any defection of the liver is perceived, we may be sure that the digestive organs are ceived, we may be sure that the digistry against out of order. The first thing to be done is to administer a specific which will act directly upon the stomach—the mainspring of the animal machinery. For this purpose we can recommend Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philahia. Acting as an alternative and a tonic, it engthens the digestion, changes the condition of blood and thereby gives regularity to the bowels.
