TO PERSONS OUT OF EMPLOYMENT. Sears' Pictorial Works for 1855.—The attention of the reader is solicited to the advertisement of Agents wanted for the series of Pictorial books issued from the press of Mr. Sears. These books have met, and are meeting with a large sale throughout the Union, and the three latest publications, "THE LANCET," "THE WARS OF THE UNITED STATES," and "THE WARS OF THE UNITED STATES," are in every way equal to the other works in point of attraction and interest. What he wishes to obtain is competent agents in every section of the country. The readiness of their sale offers great inducements for persons to embark in their disposal, and as they are of a high moral and unexceptionable character, there are none but who can conscientiously contribute to their circulation. Any person wishing to embark in the enterprise will risk little by sending to the publisher \$25, for which he will receive sample copies of the various books, and a circular press carefully boxed, insured, and directed, affording a very liberal per centage to the agent for his trouble. With these he will soon be able to ascertain the most saleable, and order accordingly. Catalogues containing full particulars forwarded to all parts of the country free of postage, on application.

VALUABLE PROPERTY FOR SALE.

LIVER COMPLAINT, Dyspepsia, Jaundice, Chronic or Nervous Debility, Disease of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Such as Constipation, inward Flies, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurred and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Darts or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

CAN BE EFFECTUALLY CURED BY DR. HOOFLAND'S CELEBRATED GERMAN BITTERS.

Prepared by DR. C. M. JACKSON, No. 120 Arch Street, Philadelphia. Their power over the above diseases is not exceeded, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

J. D. SPRING, Laceyville, Pa., April 6, 1854, says: "I can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter good, &c."

S. B. LAWSON, Bedford's Store, Somerset Co., Pa., August 15, 1853, says: "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from in disease of the Liver. I find it has great effect upon my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. GILES, Newton Hamilton, Pa., May, 1851, said: "I have used myself half a dozen bottles of your German Bitters for Liver complaint and disease of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of this latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary result. I think as many more bottles will cure me."

J. C. YOUNG, Esq., of Dauphin, Pa., writes May 5, 1851: "I was afflicted with General Debility, Intestinal weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoofland's German Bitters. I took a few bottles according to directions, and was completely cured. I have not been so healthy for ten years as I have been since I took your Bitters, which is about one year ago."

The Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.

Sold by dealers in medicine and storekeepers everywhere. And by Dr. F. C. REAMER, Bedford, Pa. Oct. 20, 1851.—1y.

Truth is Mighty!

Important news for the Invalids of Albany!

PULVERMACHE'S HYDRO-ELECTRIC VOLTAIC CHAINS, A New, Novel, and strictly Scientific Mode of applying Electro-Magnetism for the Instant Relief and Permanent Cure of all NERVOUS DISEASES.

Is for the first time introduced to the people of Albany and vicinity. We know that there is too much good sense among the inhabitants of this place to desire a long, unmeaning, extravagant advertisement; hence we shall simply give you a history of the Chains, and the success they have had in curing within the last year, NERVOUS DISEASES.

Pulvermache's Electric Chains were first used in France, three years since, where the success that attended their use, soon attracted the attention of the first medical men in Paris, who took pains to give them a still further trial, and recommended their adoption in the different Medical Colleges of that Kingdom. Within the last two years they have been introduced in Germany, Austria, Prussia, Belgium, and England, where they soon became the most popular article for the INSTANT RELIEF AND PERMANENT CURE of that class of diseases called NERVOUS.

One year since they were introduced into the United States, and can now be found in all the principal cities in the Union. It is necessary to speak at length of their great success and unparalleled sale, wherever they have been introduced. It is sufficient to state that they are highly recommended by Professor Mott, Van Buren, Post and Carnochow, of New York, and also in daily use in every Hospital in that city. \$1,000 dollars will be given to any person who will produce so many well authenticated certificates of cures, from intelligent patients and scientific physicians, of the following diseases, as may be found in a pamphlet of 26 pages, to be had (gratis) of the only agents in Albany, DEXTER & NELLAGER. Painful and Swelled Joints, Palpitation of the Heart, Pains in the Back, Neuralgia of the Face, Deafness, Blindness, Nervous Headache, Dyspepsia, Indigestion, Pains of the Liver, General Debility, Nervous Cough, Female Diseases, Tooth Ache, Protrusion of the Uterus.

It is not strange that the application of Electro-Magnetism will instantly relieve pain, wherever it is located, more quickly than any other or any of its compounds—for it is based upon the true theory of the origin of pain—a lack of the nervous fluid, which the Chains supply, by being applied over the parts affected—after first being moistened with common vinegar, which is the only preparation necessary. The common sense of the people all over the country, who have used them, and they have concluded that they will no longer make drug shops of their stomachs, or be guilty of swallowing the miserable, disgusting nostrums that are thrust before the public.

RHEUMATISM, that common disease of this climate, can be almost instantly relieved of its pain and a permanent cure produced by simply applying a chain of 18 links for a few days, a few hours each day.

PROLAPSUS UTERI.

More than one hundred cases of this disease have been cured within the last year, that had baffled every other mode of treatment, by wearing a 30 link chain for a few weeks, by attaching one end upon the spine and the other on the abdomen. After the simple application the worst symptoms disappear, and the patient soon gains flesh and strength. I do not know of one single instance that has not been greatly benefited, if not permanently cured.

ONE WORD OF CAUTION TO THE LADIES.—Ladies who are ENDEAVOURING to request to wear them only for a few moments at each application, for by long and frequent use INJURY is often produced. JOSEPH STEINERT, General Agent, Broadway, New York. Agent:—Dr. F. C. REAMER, Bedford, Pa. June 9, 1854.—1y.
