

Notice.—The following notice of Dr. Keyser's Pectoral Syrup, is from the Evening Chronicle, published in Pittsburgh, Pa. If you have a cough, go to Rupp & Oster's and buy a bottle.

From the Evening Chronicle.
Keyser's Pectoral, a friend observes, is the next thing to health itself. We may have observed, as we mention no names, that this friend was on an election night, and anxious to hear the news from Maine, carried long on the corners. The news came but not until he had absorbed sufficient damp to give him the chills. Another friend invited him to take a glass of Scotch ale, which was put up in very black bottles. Scotch ale, which was long, and was only quenched after a number of empty bottles stood before him; a cold in the head was the consequence, which consequence was cured in six hours by using Keyser's Pectoral Syrup.

There are few things which afford as greater pleasure than sitting down to write a notice of the celebrated Hoodland German Bitters, because we are fully conscious we are conferring a public benefit, and our heart tells us that by our notice many have been induced to take these bitters, and been relieved from jaundice, dyspepsia, liver complaint, &c. for the cure of which it is certain. It is prepared and sold only by Dr. C. M. Jackson, at the German medicine Store, No. 120 Arch street, Philadelphia—See advertisement.

NEURALGIA.—This formidable disease, which seems to buffet the skill of Physicians, yields like magic to Carter's Spanish Mixture. Mr. Boyden, formerly of the Astor House, New York, and late proprietor of the Exchange in Richmond Va., who has been cured of severe Neuralgia by Carter's Spanish Mixture. Since his cure he has recommended it to others who were suffering with nearly every form of disease with the most wonderful success. He says it is the most extraordinary medicine he has ever seen, and the best blood purifier known. See advertisement in another column.

A CARD.

An impression having started that I intend to leave Bedford on the 1st of April next, I would state that such is not the case. I still continue in the practice of Dentistry at my old stand, nearly opposite the Bedford Hotel, where I intend remaining, and all who require my professional services may rely upon having their operations attended to with promptitude and care.

Justice to myself requires me to state that my advertisement in (NARRABLY CAS) will be strictly adhered to. That there may be no mistake and no offence given hereafter, I will mention that no operations will be assigned to the hands of Patients until paid for. This will be enforced without respect to persons. It need not, however, interfere to the relief of those who may require operations for the relief of pain, as such operations, in the case of those unable to pay, will, (as heretofore) be performed gratis.

Bedford Academy

FEMALE SEMINARY.

W. W. CAMPBELL, Principal.
This Institution, hitherto under the care of Rev. John Lyon, will henceforth be conducted by the present Principal. The past history of the Academy will, we trust, be a sufficient guaranty of its efficiency. The branches taught will be the same as heretofore. To sustain themselves will be considered the most important pursuit of the pupils; and while it will be the constant business of the instructor to impart knowledge, it will also be his aim to lead his pupils to make a practical application of their acquisitions. To load the mind with unimportant formulas, without causing it to use them, would be like placing a bow in a child's hand, without teaching him how to bend it. In fine, it shall be our object, as it has ever been, to lead the pupil to think.
We look forward confidently to the patronage of this community, which has thus far been so generously extended, and by an undiminished assiduity, we hope to merit your support.
