Truth is Mighty!
PULVERMARCH'S
HYDRO-ELECTRIC VOLTAIC CHAINS.
 A New, Novel, and strictly Scientific Mode of applying Electro-Magnetism for the Instant Relief and Permanent Cure of all NERVOUS DISEASES.
 Is for the first time introduced to the people of Albany and vicinity. We know that there is too much good sense among the inhabitants of this place to desire a long, unmeaning, extravagant advertisement; hence we shall simply give you a history of the success, and the success they have had in entering within the last year, NERVOUS DISEASES.
 Pulvermacher's Electric Chains were first used in France, three years since, where the success that attended their use, soon attracted the attention of the most eminent medical men in Paris, who took pains to give a sample of their trial, and recommended their adoption in the different Medical Colleges of that Kingdom. Within the last two years they have been introduced in Germany, Austria, Prussia, Belgium and England, where they soon became the most popular article for the INSTANT RELIEF AND PERMANENT CURE of that class of diseases called Nervous. One year since they were introduced into the United States, and can now be found in all the principal cities in the Union. It is necessary to speak at length of their great success and unparalleled sale, wherever they have been introduced. It is sufficient to state that they are highly recommended by Professor Mott, Van Buren, Post and Carnochan, of New York, and also in daily use in every Hospital in that city. \$1,000 dollars will be given to any person who will produce so many well authenticated certificates of cure, from intelligent patients and scientific physicians, as the following diseases, as may be found in a pamphlet of 30 pages, to be had gratis) of the only agents in Albany, DEXTER & NELLGAGER.
 Painful and Swollen Joints, Palpitation of the Heart, Rheumatism, Neuralgia of the Face, Nervous Headache, Dyspepsia, Indigestion, General Debility, Nervous Cough, Female Diseases, Tooth Ache, Prolapsus Uteri.
 It is not strange that the application of Electro-Magnetism will instantly relieve pain, wherever located, more quickly than opium or any of its compounds—for it is based upon the true theory of the origin of pain—a lack of the nervous fluid, which the Chains supply, by being applied over the parts affected—after first being moistened with common vinegar, which is the only preparation necessary.
 The common sense of the people all over the country is awakening, and they have concluded that they will no longer make drug shops of their stomachs, or be guilty of swallowing the miserable, disgusting nostrums that are thrust before the public.
RHEUMATISM, that common disease of this climate, can be almost instantly relieved of its pain and a permanent cure produced by simply applying a chain of 18 links for a few days, a few hours each day.
PROLAPSUS UTERI.
 More than one hundred cases of this disease have been cured within the last year, that had baffled every other mode of treatment, by wearing a 50 link chain for a few weeks, by attaching one end upon the spine and the other on the abdomen. After a simple application the worst symptoms disappear, and the patient soon gains flesh and strength. I do not know of one single instance that has not been greatly benefited, if not permanently cured.
 ONE WORD TO CARTON TO THE LADIES.—Ladies who are excused, are requested to wear them only for a few moments at each application, for by long and frequent use MISCARIAGE is often produced.

 Broadway, New York.

 Determined to spare neither pains nor expense to make his house what it should be, he confidently relies upon the public for a generous support.

 CAN BE EFFECTUALLY CURED BY
DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
 Prepared by
 DR. C. M. JACKSON,
 No. 129 Arch Street, Philadelphia.
 Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.
 These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, wital, safe, certain and pleasant.
READ AND BE CONVINCED.
 J. D. SPRING, Laceyville, Pa., April 6, 1854, says: "I can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c."
 S. B. LAWSON, Benford's Store, Somerset Co., Pa., August 15, 1853, says: "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from in disease of the Liver. I find it has great effect upon my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."
 Dr. GILES, Newton Hamilton, Pa., May, 1851, said: "I have used myself half a dozen bottles of your German Bitters for Liver complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of this latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary result. I think as many more bottles will cure me."
 J. C. YOONCE, Esq., of Dauphin, Pa., writes May 5, 1851: "I was afflicted with General Debility, Intestinal weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoofland's German Bitters. I took a few bottles according to directions, and was completely cured. I have not been so healthy for ten years as I have been since I took your Bitters, which is about one year ago."
 The Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.
 Sold by dealers in medicine and storekeepers everywhere. And by
