DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, Prepared by DR. C. M. JACKSON, No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without a doubt, certain and pleasant.

READ AND BE CONVINCED. J. D. SPRING, Laceyville, Pa., April 6, 1854, says: "I can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c."

S. B. LAWSON, Bedford's Store, Somerset Co., Pa., August 15, 1853, says: "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from an inflammation of the Liver. I find it has great effect upon my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. GILES, Newton Hamilton, Pa., May, 1851, said: "I have used myself half a dozen bottles of your German Bitters for Liver complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of this latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary result. I think as many more bottles will cure me."

J. C. YOUNG, Esq., of Dauphin, Pa., writes May 5, 1851: "I was afflicted with General Debility, Intestinal weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoofland's German Bitters. I took a few bottles according to directions, and was completely cured. I have not been so healthy for ten years as I have been since I took your Bitters, which is about one year ago."

The Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.

Sold by dealers in medicine and stores everywhere. And by Dr. F. C. Reamer, Bedford, Pa. Oct. 20, 1854.—1y.
