

SPHILIS, SCROFULA AND DISEASED BLOOD.—For these terrible diseases, Carter's Spanish Mixture is the only specific.
The proprietors have in their possession over one hundred certificates of the most extraordinary cures effected by it. We refer to the certificate of Richard Adams, late Sheriff of Richmond, Va.; Edwin Burton, Commissioner of the Revenue for Richmond; General Philadelphia, spoken of in terms of the highest commendation, and who honestly believes that it is one of the best medicines advertised for the complaints for which it is recommended. They are pleasant to the taste and can be taken under any circumstances without the least inconvenience. The press for and wide-spread use of this mixture, and such are the healing effects of this medicine, that we hope it may be introduced every family where Dyspepsia has, or is likely to have a victim.

HEMBOLD'S GENUINE PREPARATIONS.

Helmhold's Highly Concentrated Compound Fluid Extract of Uchina,

For Diseases of the Bladder and Kidneys, Sexual Discharges, Strictures, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female,
from whatever cause they may have originated and no matter of how long standing.
If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and lay the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in such cases.
THE FLUID EXTRACT BUCHU has been pronounced by eminent Physicians THE GREAT REMEDY FOR GONORRHOEA, GLEET, and all the urinary troubles. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.
CONSTITUTIONAL DEBILITY, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy. And as a medicine which must benefit everybody, from the simply delicate to the confirmed and departing invalid, no equal is to be found, acting both as a cure and preventative.

HELMHOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SASSAPARILLA.
For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and impure discharge of the system, and its various ailments, from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.
This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients, will be found accompanying both Preparations.
Prices.—Fluid Extract of Uchina, \$1 per bottle, or 6 bottles for \$5, equal in strength to one gallon Syrup of Sarsaparilla.

Prepared and Sold by H. T. HELMHOED, Chemist 293, Chestnut Street, near the Girard House, PHILADELPHIA.

To be had of Dr. F. C. Reamer, Bedford, Pa. July 20, 1855.—1y.
