

From the Lewistown Democrat.
The way they test them!
Why is it that we can publish the name of any individual as a democrat or whig without eliciting the most violent objections, and if we publish him as a known-thing he is at once taken exception, and complains that we are black-guarding him? A democrat or a whig is not ashamed to be known as such; a known-thing takes it unkindly if you hint it of him—intimates that it will injure him.
A CHILD SAVED BY A DOG.—As one of the city cars was passing down Fulton street yesterday morning a lady with a little girl attempted to pass in front, the child being ahead. Before the driver could hold up the child was nearly under the horse's feet, when a large Newfoundland dog seeing it bounded to her, and taking her in his mouth rescued her from imminent danger of being trampled to death, brought her to the almost distracted mother, and laid her down. He looked up and wagged his tail, and gave a short bark expressive of his delight, and away he went.—A. Y. Tribune.

HEMBOLD'S GENUINE PREPARATIONS. Hembold's Highly Concentrated Compound Fluid Extract of Buchu, For Diseases of the Bladder and Kidneys, Stricture, Hematuria, and all diseases of the Sexual Organs, whether in Male or Female.
From whatever cause they may have originated and no matter of how long standing.
If you have contracted the terrible disease which, from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.
THE FLUID EXTRACT BUCHU has been pronounced by eminent Physicians THE GREATEST REMEDY EVER KNOWN. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.
CONSTITUTIONAL DEBILITY, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, and this blighting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this untimely remedy. And as a medicine which must benefit everybody, from the simple delicate to the confirmed and despairing invalid, no equal is to be found, acting both as a cure and preventative.

HEMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA.
For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and impudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of the Syphilis, Scurvy, Scald Head, Ulcerations of the Throat and Lungs, Pains and Swellings of the Bones, Tetters, Pimples on the Face, and all Scaly Eruptions of the Skin.
This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incubity wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.
NOTICE.—Let us from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.
Prices.—Fluid Extract of Buchu, \$1 per bottle, or 6 bottles for \$5, equal in strength to one gallon Syrup of Sarsaparilla.
Prepared and Sold by H. T. HEMBOLD, Chemist 263, Chestnut Street, near the Girard House, PHILADELPHIA.
To be had of Dr. F. C. Reamer, Bedford, Pa. July 20, 1855—1y.

[Letter from Hon. John Minor Botts, of Virginia.]
RICHMOND JULY 9th, 1855.
Messrs. Wm. S. Beers & Co., Gents.—Considers of duty to the afflicted alone prompt me to send you this voluntary testimonial to the great value of "Carter's Spanish Mixture," for that almost incurable disease, *Strangula*.
Without being disposed or deeming it necessary to go into the particulars of the case, I can say that the astonishing results that have been produced by the use of that medicine on a member of my own family, and under my own observation and superintendence, after the skill of the best physicians had been exhausted and the usual remedies had failed, fully justify me in recommending its use to all who may be suffering from that dreadful malady.
I do not mean to say that it is adapted to all constitutions, or that it will afford the same relief in all cases; for, of course, I can know nothing about that—but from what I have seen of the effects, I would not hesitate to use it, in any and every case of *Strangula*, with persons for whom I felt an interest, or over whom I could exercise any influence or control.
Respectfully yours,
JNO. M. BOTTIS.

DR. KEYSER'S PECTORAL SYRUP.—Here is another notice of a preparation bearing the above name. We would say to our readers, try it, and you will not be disappointed. It may be had at Rupp & Oster's in this place.

From the Pittsburg Morning Post, Sept. 21, 1855.
KEYSER'S PECTORAL SYRUP.—We have tried this medicine for a severe cold, and can truly say we have never found any remedy so pleasant and effectual. It is an expectorant, yet does not sicken the stomach; and it prevents costiveness. It is very highly recommended by physicians and others who have tried it, as a speedy and effectual cure for Colds, Influenza, Hoarseness, Whooping Cough, Croup, Quinsy, and numerous other complaints of the Bronchial Organs and Lungs. We can safely recommend it as an excellent remedy.

Dr. Hodland's German Bitters, prepared by Dr. C. M. Jackson, are justly reckoned among its most valuable medicines. In cases of dyspepsia it acts like magic, strengthening the tone of the stomach, stimulating the digestive powers, and giving ruddy health to the cheek and brightness to the eye. There are thousands in this community who can testify to their virtue, and thousands will hereafter add their testimony. See advertisement.
