Bedford Academy**FEMALE SEMINARY.****W. W. CAMPBELL, Principal.**

The 1st Session of the 5th school year of this Institution will open on Monday morning the 30 day of September. The past history of the Academy will, we trust, be a sufficient guarantee of its future efficiency. The branches taught will be the same as heretofore. To master principles will be considered the most important pursuit of the pupils; and while it will be the constant business of the instructor to impart knowledge, it will also be his aim to lead his pupils to make a practical application of their acquisitions. To load the mind with innumerable formulas, without causing it to use them, would be like placing a bow in a child's hand, without teaching him how to bend it. In fine, it shall be our object, as it has ever been, to lead the pupil to think.
N. E. instruction in Book Keeping in all its branches, both Single and Double Entry will be given by the Principal. The Class in this study will be so arranged that any young men desiring to pursue this important branch in order to prepare themselves for clerkships can receive it in alone. This repetition will receive attention out of the regular school hours. Instruction in this branch will be extra and so charged.
We look forward confidently to the patronage of this community, which has thus far been so generously extended, and by an undiminished assiduity, we hope to merit your support.

HEMBOLD'S GENUINE PREPARATIONS.**Hembold's Highly Concentrated Compound Fluid Extract of Buchu,**

For Diseases of the Bladder and Kidneys, Stric- tured Disease, Strictures, Weakness, and all diseases of the Sexual Organ, whether in Male or Female,
from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

THE FLUID EXTRACT BUCHU has been prepared from the finest of the species of this plant, and is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

CONSTITUTIONAL DEBILITY, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this invaluable remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, to equal is to be found, acting both as a cure and preventative.

HEMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA,

For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and impudence in the chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.
This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

NOTICE:—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.
Prices—Fluid Extract of Buchu, \$1 per bottle. " Sarsaparilla " " do. " or 6 bottles for \$5, equal in strength to one gallon Syrup of Sarsaparilla.
Prepared and Sold by H. T. HEMBOLD, Chemist, 203, Chestnut Street, near the Girard House, PHILADELPHIA.
To be had of Dr. F. C. Ramer, Bedford, Pa. July 20, 1855.—ly.
