from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the bands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. THE FLUID EXTRACT BUCHU has been nounced by eminent Physicians THE GREATEST REMEDY EVER KNOWN. It is a medicine perfectly pleasant in its taste and very mnocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dread-ful disease; and, unlike other remedies, it does not

dry up the disease in the blood. CONSTITUTIONAL DEBILITY, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy.

And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a cure and preventative.
