DR. KEYSER'S PECTORAL SYRUP .- Here is another notice of a preparation bearing the above name. We would say to our readers, try it, and you will not be disappointed. It may be had at Rupp & Oster's in this place.

From the Pittsburg Morning Post, Sept. 24, 1853. KRYSER'S PECTORAL SYRUP.—We have tried this medicine for a severe cold, and can truly say we have never found any remedy so pleasant and effectual. It is an expectorant, yet does not sicken the stomach; and it prevents costiveness. It is very nighly recommended by physicians and others who have tried it, as a speedy and effectual cure for Colds, influenza, Hoarseness, Whooping Cough, Croup, Quinsy, and nomerous other complaints of the Bronchial Organs and Lurgs. We can sately recommend it as an exand Lungs. We can safely recommend it as an ex-cellent remedy.
