21. A modification of a bid, in any of its essential terms, is tantamount to a new bid, and cannot be received, so as to interfere with regular competition, after the last bour set for receiving bids.

21. Postmasters are to be careful not to certify the sufficiency of guarantors or sureties without knowing that they are persons of suffi-cient responsibility; and all bidders, guarantors, and sureties are distinctly notified that, on a failure to enter into or perform the contracts for the service proposed for in the accepted bids, their legal liabilities will be enforced against them. (See 27th section of the act of July 2, 1836.)

22. The contracts will be substantially in the forms heretofore used in this department, except in the respects particularly mentioned in these instructions.

24. Present contractors, and persons known at the department, must, equally with others, procure guarantors and certificates of their sufficiency substantially in the forms above prescribed. The certificates of sufficiency must be signed by a postmaster at one of the places before named, or a Judge of a court of record.

DICKINSON'S CORN-SHELLER.

I have purchased the patent right for Bed-ford County, of Dickinson's Patent Corn-Sheller, and I am prepared to furnish every Farmer with this very useful and convenient machine. It comes very highly recommended both at Pittsburg and New York. It is not necessary for me to detail its merits. I want every body to see the Machine, as it carries with it its own recommendations. Its price brings it within the reach of every man, being \$10, when delivered at my house.
