Letter of Rev. John Chambers. PRILA., Jan. 20. 1856.

1. Mu, Dear Friend:-I see from the papers that the Democrars have passed to second reading a bill to repeal the restraining Liquor Law, and it is experi-ted to day the bril will pass the house of Representacessful, that they permit the best offices in their gift to go into the hands of Democrats rather

Now, let me propose to you and through you to our party, that they forthwith pass a bill requiring the Commissioners of each County to have erected, the Commissioners of each County to have erected, and placed at all the cross-roads, a trough with balf a dozen or more mugs chained fast; and those troughs well and costantly supplied with run and lager, that the thirsty whiskey dinking democrats may have there fills. The county need not be at the expense of femaing in the troughs, for there is not a log in the old Keystone so far lost to respect for his honorable log distance of the vile drug.

It does seem to me as though the Democrats were in noise scene to for a fundigh the Democratic shark be entrailed upon this land perpetually. It is to the most galling and mortifying that the political party which H consider the true purt of the contrary, should so blenting itself with Brie, Rate and Ringe My dear and the start of the start of the start of the start of the blenting itself with Brie, Rate and Ringe My dear sir, I most deeply regret that you, as a farmer, and t good officen, should lend your influence to this vile sir. I ui traffic. It matters out, in my judgment, how much of the rum sellers' money may pass from their pock-ets to those of the Democratic members. Now, allow me to ask you, as an honest, clever fellow, hav mind ever known any good results to the individual the family, or the community, from rum-drinking Give me one example in which rum-drinking has re-formed one man? For thirty years I have been ask ing for this example, but this far in vain. Will you do me the favor to ask the Democratic members io one example. I ask it from the DEMOCRATIC members of the Legislature because it is evident to al who will see, that they are the friends of rum, and that run is *their* friend. Surely they can say some-thing good of their old friend. I presume Hughy will have high Mass performed for all the precious whiskey-sould in the Legislature. I trust in God that there is humanity enough in the Senate to stay the burning wrongs of the flouse. Yours truly, JOHN CHAMBERS.

Dr Above will be found a letter purporting to have 21st inst., by which one man lost his life, and bail thy advent as a season of joy! All nature hopes for Single for thy appearance!
