Such as Constipation, inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, flushed and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flashes of Heat, Burning in the Throat, Constant Imaginings of Evil, and Great Depression of Spirits.

CAN BE EFFECTUALLY CURED BY
DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,

Prepared by
DR. C. M. JACKSON,
No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equaled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without a single exception, certain and pleasant.

READ AND BE CONVINCED.
J. D. SPRING, Laceyville, Pa., April 6, 1854, says: "I can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c."

S. B. LAWSON, Bedford's Store, Somerset Co., Pa., August 15, 1853, says: "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from in disease of the Liver. I find it has great effect upon my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. GILES, Newton Hamilton, Pa., May, 1851, said: "I have used myself half a dozen bottles of your German Bitters for Liver complaint and disease of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of this latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptic, with the most salutary result. I think as many more bottles will cure me."

J. C. YOUNG, Esq., of Dauphin, Pa., writes May 5, 1851: "I was afflicted with General Debility, Intestinal weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoodland's German Bitters. I took a few bottles according to directions, and was completely cured. I have not been so healthy for ten years as I have been since I took your Bitters, which is about one year ago."

The Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.
Sold by dealers in medicine and storekeepers everywhere. And by

Bedford Academy

AND FEMALE SEMINARY.
W. W. CAMPBELL, Principal.

The 1st Session of the 5th school year of this Institution will open on Monday morning the 30th day of September. The past history of the Academy will, we trust, be a sufficient guaranty of its future efficiency. The branches taught will be the same as heretofore. To MASTER PRINCIPLES will be considered the most important pursuit of the pupils; and while it will be the constant business of the instructor to impart knowledge, it will also be his aim to lead his pupils to make a practical application of their acquisitions. To load the mind with unimportant formulas, without causing it to use them, would be like placing a bow in a child's hand, without teaching him how to bend it. In fine, it shall be our object, as it has ever been, to lead the pupil to THINK.
N. B. Instruction in Book Keeping in all its branches, both Single and Double Entry will be given by the Principal. The Class in this study will be so arranged that any young man desiring to pursue this important branch in order to prepare themselves for clerks' work can do so. This preparation will receive attention out of the regular school hours. Instruction in this branch will be extra and so charged.

We look forward confidently to the patronage of this community, which has thus far been so generously extended, and by an undiminished assiduity, we hope to merit your support.

Terms per quarter, as usual, to wit:
CLASSICS, \$6 25
HIGHER ENGLISH, 5 00
MIDDLE " 4 50
ELEMENTARY " 4 00
BOOK KEEPING, (Extra) 5 00
