

DEPARTURE OF BOATS.—On Monday morning last, at an early hour, a detachment of men, about 250 in number, belonging to the 2d Regiment of United States Dragoons, left Carlisle Barracks en route to Fort Riley, Kansas. They were under the command of Capt. Radford. These men had been recruited at different points in the East, and have been at this station for many months, under the command of Lieut. Col. Charles A. May, whose perfect discipline has made them efficient soldiers. The men were fine looking, hardy fellows, and although they repeatedly cheered for their Colonel, Captains and Lieutenants, and seemed anxious to depart for their western destination, when the band struck up the tune of "the girl I left behind me," there was scarce a dry eye in the party. Many of our citizens were present to witness the departure of the detachment, and when the band played the parting tune "Old Lang Syne," gave the soldiers a fervent and heartfelt "Good bye."

Col. May is justly popular at this station among officers, privates and citizens, and his attention to the comfort of those under his command, has won for him the proud appellation of the soldiers' friend.—Carlisle Volunteer.
