

BEDFORD, FRIDAY MORNING, July 25, 1856.

PORTRAIT OF JES. BUCHANAN.

The most correct likeness ever made, executed in the highest style of Art, and printed on fine India paper, published and for sale, Wholesale and Retail, by L. N. ROSENTHAL, Lithographer, N. W. corner of 5th and Chesnut streets, Philadelphia. Size of paper 17 x 25. Retail price \$1. A liberal discount will be made those wishing to sell again. July 25.

The First Page.

The reader will be well compensated by a careful perusal of all the articles to be found on the first page of the Gazette of to-day. They present truths and arguments of an overwhelming character, which cannot fail to arouse the freemen of Bedford County to a full sense of their duty.

Our readers will peruse with profound interest a letter from Rev. SERRINUS TUSTIN, a distinguished clergyman, to be found in the Gazette of to-day.

We have examined a specimen of the "AM-BROTYPES" of THOS. R. GETTYS, Jr., of this place, and have no hesitation in saying that they compare favorably with any we have seen. His rooms are in the Bedford Hall, where he is prepared to execute likenesses in a style equal to that of any other establishment in the State. All in want of a good and life-like Picture will do well to give him a call.

We invite the attention of purchasers to the advertisement of Hon. JOS. B. NOBLE, by which it will be seen that he offers for sale one of the most valuable Mill properties in Fulton county, to which is attached a first rate Farm. We would advise all in want of such a property, to examine the one alluded to before purchasing elsewhere.

Attention is directed to the advertisement of PETER H. SHIRES, ESQ. which will be found in the proper column, by which it will be seen that he is prepared to furnish Farmers with all kinds of Farming implements of the very best quality.

Brooks and Sumner.

Whilst every lover of our country must turn with sorrow and disgust from the obscene malignity of Mr. Sumner in the bitter language employed by him upon the floor of the U. S. Senate to sustain his necessary ABOLITION views—none can successfully justify the conduct of Brooks in his disgraceful attack upon that Senator. Both these men are wrong, and it is an outrage upon the morals of the country that either of them should be permitted to represent an honest constituency. We are sorry that Brooks was not promptly expelled from the House—and that Mr. Sumner was not publicly reprimanded for his gross and ungentlemanly language in debate.

The Presbyterian Grave Yard, which, for a long time, has been in a dreadful condition, has recently been handsomely cleaned up, and the fences white-washed, presenting a change truly agreeable to the eye. For this handsome improvement we are indebted to the Ladies of the place—but more especially to Mrs. VINCENIA TATE, who started the subscription—collected the money—and superintended the work. She will receive the sincere thanks of the community.

Jones' Juniata Valley.

U. J. JONES, Esq., the accomplished assistant Editor of the Hollidaysburg Standard arrived in Bedford on last Tuesday evening, and is stopping at the Bedford Hotel. He is the author of the "History of the Juniata Valley," and has with him a few copies for sale. This is a work which should be in every family in Bedford County, and we are satisfied that all who purchase it will consider the amount thus expended well invested. The hardships encountered by the early settlers of this Valley can only be fully understood by a perusal of this Book, which gives a faithful description of events as they actually occurred.

We notice among the visitors at the Springs, Hon. E. A. PENNINGTON, Judge FINGLER, and Col. Wm. S. CAMPBELL, of Philadelphia. Hon. A. J. CERRIS, Secretary of the Commonwealth—Dr. KING, of Pittsburgh, and Gen. GREEN, of Huntingdon County. There were 17 arrivals on Tuesday, and 29 on Wednesday last.

HURLEY'S SARSAPARILLA.—It is not only the most reliable but the most valuable compound that can be had during the summer months. For the removal and permanent cure of Scrofula, Dyspepsia, Bronchitis, Pulmonary Affections and all catarrhal eruptions arising from an impure or vitiated condition of the blood, it stands unapproached in the history of medicine. It may be used at all seasons with very decided advantage, but especially in the spring and summer season.—Rock Island Argus.

All Right in Iowa.

In Low county, Iowa, the vote for President in 1852 stood as follows:

Table with 2 columns: Name and Votes. Pierce 1,708; Scott 1,379; Hale 201.

At an election held in this county on the 28th ult. for members of the legislature, the vote stood:

Table with 2 columns: Name and Votes. D. T. Brigham, dem., had 1,332; Wm. Stewart, K. N., " 150; Steph. Cook, woolly, " 44.

Table with 2 columns: Name and Votes. J. M. Anderson, dem., had 1,304; W. F. B. Lynch, " " 1,319; S. J. Reid, " " 1,256; Jno. S. Hamilton, " " 1,250; Haskin Taylor, black rep., had 872; Simon Cole, " " 831; George C. Eaton, " " 825; Jno. Counts right, " " 819; James M. Layton, K. N., had 177; John Barnes, jr., " " 106; James D. Gedney, " " 110; W. Sillars, " " 44; G. Purcell, " " 36.

FATAL MISTAKE—A WIFE SHOT BY HER HUSBAND.—On Friday morning last, about one o'clock, Mr. Wm. Kelly, who resides in Caroline county, Va., and who is in the habit of keeping a loaded gun in his room at night, was suddenly roused from his sleep, and under the impression that his house was broken into, seized his gun and fired upon some one entering the door, but found, to his horror, that it was his wife who was fast-ning it. Mrs. K. lingered until Saturday morning. She leaves an almost distracted husband, an infant eleven months old, and a large number of relations to mourn her loss.

A Curious Coincidence.

It is remarkable, says the Mount Holly Herald, that at this time when the Black Republicans are in such a flurry of pretended excitement about the assault of Mr. Brooks on Mr. Sumner, that they should present to the country a candidate for the Presidency, who stood some years ago precisely in the position which Mr. Brooks now occupies as the violent assailant of a United States Senator, for words spoken in debate.

Some five or six years ago, a bitter controversy was carried on in the Senate between Mr. Foote, of Mississippi, and Mr. Benton, the father-in-law of Mr. Fremont, in which the former indulged in some severe personal remarks on the latter. After the Senate had adjourned, Mr. Fremont way-laid Mr. Foote in the anti-chamber, or lobby adjacent to the Senate, and assailed him with great violence, blows passed, and they were separated—after which the parties had not by great exertion brought about a reconciliation. We hope that the Black Republican press and orators, should they have occasion to say anything more in denunciation of "brutal outrages in the Senate chamber," will have the fairness to divide their indignation equally between Mr. Fremont and Mr. Brooks. If the conduct of one deserves rebuke, the other surely is far from innocent.

THE DAYTON EMPIRE in speaking of Fremont, says: "Is this the man for our country when foreign nations threaten us with war?—Is this the man to guide the ship of State thro' the present complications of our foreign affairs? Is he the man to bring peace and quiet to the country, by a careful and patriotic management of our internal affairs? He is not. It is no time now for Rocky Mountain climbers and Mariposa claim owners. It is a time for the tried and faithful servants of the people. It is a time for the wise head, the patriotic heart, and the strong, determined character. It is the time for such men as James Buchanan. Disguise it as you may, conceal it to the utmost extent of your ability, and yet the fact glares you in the face, like an August sun, that James Buchanan is the man for the times."

NO HUMBAG.—H. H. HUTZ'S CELEBRATED Tetter Wash, is the only safe and sure remedy ever discovered for curing the Tetter, Ringworm, and all eruptions of the Skin. It is so infallible a remedy, that a perfect cure in all cases of Tetter is guaranteed, if attentively applied. In ordinary cases one bottle will be sufficient to perfect a cure. In bad cases, with a Tetter of long standing, more will be required. Price 25 cents per bottle. For sale at Dr. B. F. Reamer's Bedford. April 25, 1856-ly.

A SECRET FOR THE LADIES.—HOW TO PRESERVE BEAUTY.—Don't use Chalk, Lily White, or any of the so-called cosmetics, to conceal a faded or sallow complexion. If you would have the roses brought back to your cheek, a clear, healthy and transparent skin, and life and vigor infused through the system, get a bottle of Carter's Spanish Mixture, and take it according to directions. It does not taste quite as well as your sweet-meats; but, after a few doses you do not find your health and beauty reviving, your step elastic and vigorous, the whole system refreshed and invigorated like a Spring morning, then your case is hopeless; and all the valuable certificates we possess, go for naught. It is the greatest purifier of the blood known; is perfectly harmless, and at the same time powerfully efficacious. See advertisement.

Great Cure of Piles.

CAMDEN, N. J., March 12th, 1855. Dear Sir—It is with much pleasure that I take this opportunity of informing you of the great benefit I have derived from the use of a few bottles of "Doan's German Bitters." For a number of years I have been sorely and severely afflicted with a pain in the stomach, attended by severe attacks of the Piles, for which I tried a great many remedies, but without affording me any relief. Being advised to use the German Bitters, I did so, using in connexion, for the Piles, your Spikenard Ointment, and I now inform you that they have entirely cured me and restored me to health, and I will advise all afflicted to use your valuable medicines, &c. Respectfully yours, MARGARET REPSNER, No. 45 Plum street, Camden, N. J. Dr. C. M. Jackson, Philadelphia. See advertisement.

IMPORTANT ADVICE.—To have a tearing cough or cold, with a perpetual dripping from the nose and soreness of the breast and lungs is truly annoying, and such of our readers who may be afflicted in that way, we would say go to Rupp's store and buy a bottle of Dr. Keyser's Pectoral Syrup, and you will be relieved of a great deal of suffering, and probably saved from some more formidable lung disease.

TO THE LADIES.

THE subscriber would invite the attention of the Ladies to a new article intended to deposit water from the wash-bowl—a convenient and handsome accompaniment to the wash-stand, preferable to anything of the kind yet in use. GEO. BLYMIRE. July 11, 1856.

Purify Your Blood.

THE Wonder of the Nineteenth Century. Important and of great Consideration to the Suffering. T. A. HURLEY'S SARSAPARILLA. OF all the remedies that have been discovered during the present age for the thousand ills that flesh is heir to, none equal this wonderful preparation.—Only three years have elapsed since the discoverer (who spent a decade in studying, experimenting, and perfecting it) first introduced it to the public, and it is already recognized, by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other compounds, or syrups of the root, have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients, which neutralize the good effects of the Sarsaparilla, and often times injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will on trial, be found to effect a certain and perfect cure of the following complaints and diseases: Affections of the Bones, Habitual Constiveness, Deafity, Indigestion, Diseases of the Kidneys, Liver Complaints, Dyspepsia, Piles, Erysipelas, Pulmonary Diseases, Female Irregularities, Scrofula or King's Evil, Fistula, Syphilis, and all Skin diseases.

Besides curing the above, it is also known to be a great and powerful tonic, purifying the blood and invigorating the system. In short, it is, without exception, in the cases mentioned, and its general effect on the system, the most efficacious as it is the most desirable remedy of the age. It is, in fact, extensively used throughout the country and is fast obtaining an European reputation. The instances of cures that has effected are daily coming to the proprietors knowledge, and he has no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt. Recollect Hurley's Sarsaparilla is the only genuine article in the market. Price \$1 per bottle, or six for \$5. This medicine can be procured at all extensive Drug houses. July 4, 1856—ly.

This Machine works well, and a girl of fourteen years can perform the largest Washing in a very short time, and the amount of clothes and soaps saved in a year, will pay for the Machine. Everybody should have one of these Machines. Some of the citizens of St. Clairsville have tried it, and can testify to what we have said concerning it. D. C. WETSELL, D. R. KOONS. June 6, 1856.

Fayette Springs.

This highly agreeable and attractive Mountain resort, has been leased by the subscriber. New buildings and improvements for recreation, amusement, and bathing, in process of erection during the past, will be ready for the accommodation of visitors the present season. The purifying and healing properties of the waters of these springs have been fully tested by chemical analysis, and the experience of individuals prove their efficacy. THEY NEVER FAIL TO CURE Scrofula and other diseases of the blood, by freely drinking the water and eruptions by bathing and internal applications of the deposits of the stream.—These waters are chalybeate of iron, with portions of Magnesia and Salts. In addition to the elevated, beautiful and pleasant mountain location of these Springs, they are in the midst of classic grounds—wild, romantic, and picturesque scenery—caverns, waterfalls and cascades. Within a circuit of four or five miles are Fort Necessity.

Washington's First Battle Field.

Washington's Spring and Meadows, which he owned to the day of his death—Burns Camp—Bradlock and Junconville's Graves—Delaney's Cave—Ohio Eye and Cucumber Falls and the Cascades of Meadow Run—easy of access on horseback or in vehicles to be had at the Springs. The streams and woods abound in Trout and Game, affording a rich field for the disciples of Walton and Noyes. Situated within five minutes walk of the National Road, with regular daily lines of stages passing East and West connecting with Pittsburg Steamboats at Brownsville and with the cars of Pittsburg and Conneville Railroad at Conneville, render these springs convenient of access in a short day ride from Cumberland and Pittsburgh. The present season has been employed at the Springs during several seasons in the capacity of Superintendent, and he flatters himself that his experience in this and other public houses, will not fail in being useful to himself, and in contributing to the comfort and pleasure of his patrons. Persons wishing to engage rooms or to make further inquiry will please address the proprietor at Fayette Springs P. O. or at Uniontown, Fayette County, Penna. W. F. BABCOCK. June 27, 1856—6m.

A sale of lots in the town of Hopewell, will take place by Public Auction, on the premises, on THURSDAY, the 31st day of July, 1856. The Sale to commence at 9 o'clock in the forenoon. The town of Hopewell, the termination of the Huntingdon and Broad Top Mountain Rail Road, is located on the east bank of the Juniata, opposite the mouth of Yellow Creek. It is situated in a large and important town; it lies within half a mile of the Coal openings; it lies directly upon the main line of rail road, and at the point where the visitors to Bedford Springs will leave the rail road for the plank road. It is the only point on the main rail road, where the produce of the great rich limestone valleys, watered by the Raystown Branch of the Juniata and its tributaries, can find a convenient shipping place to market. Here they will find a common center. But the great advantages of Hopewell, are the facilities which it affords to the manufacture of iron. There is no place its superior in Pennsylvania. There is an inexhaustible supply of Coal, iron ore and limestone, and also a great abundance of water-power in and adjoining the town. The terms will be made known at the time of sale. HENRY K. STRONG, President. H. R. CONSUMMATT, Secretary. July 18, 1856.
