

The Storm in Louisiana.

Three Thousand Dwellings Destroyed. NEW ORLEANS, Aug. 16.—The calamities occasioned by the recent storm, which were at first believed to be greatly exaggerated, turn out to be sad realities. The storm continued, with great violence, from Sunday until Tuesday evening, and during 48 hours, not less than four-teen inches of rain fell, by the gauge at the Government Hospital, Baton Rouge. The storm extended up the river as far as heard from, and intelligence of further damage to property and loss of life may be anticipated.

The loss of life at Last Island it is thought will reach 200. The survivors of the disaster have arrived here, and they report that 182 bodies had been found. The survivors are, many of them, sufferers from wounds, bruises and broken limbs. They tell a pitiable story of their sufferings. They also report that the dead bodies were plundered by a set of pirates, and the baggage belonging to the survivors was mostly carried off by the marauders, who are said to be the inhabitants of the island. It is supposed that at least \$10,000 in money was stolen from the pockets of the dead, and baggage valued at \$5000 was also carried off. The buildings destroyed are valued at \$100,000.

Nothing very definite has been learned from Grand Caillon Island, but as it was also inundated by the flood, the loss of life and destruction of property there has also been great. It is reported that thirty bodies were found at one end of the island. The buildings destroyed are valued at \$38,000.

REPUBLICAN CONSISTENCY.—The Republicans oppose Mr. Buchanan because Mr. Brooks chastised Mr. Sumner for an abuse of the freedom of debate in calumniating the revolutionary character of South Carolina, and the personal reputation of Senator Butler. But Col. Fremont undertook to chastise Mr. Foster for an alleged abuse of the freedom of debate in assailing Col. Fremont himself, and afterwards challenged him to mortal combat; and these same Republicans propose to reward Colonel Fremont with the Presidency!

HURLEY'S SARSAPARILLA.—Ask and take no other. This excellent medicine is gently stimulant in its action, and the only remedy before the public which merits all that is claimed for it. As a restorative of the impaired functions of life it is peculiarly adapted to remedy and remove physical defects; strengthen the system when there is atony, or debility; regulate the whole functions when deranged; eradicate every impurity of the blood, and tranquilize the nervous and muscular system. Being mild and effectual in its operation it requires no restraint in diet, loss of time, or hindrance from business. —Boston Bee.

LADRETT, COCHRAN AND PHELPS.—These are the candidates of the Fusionists in Pennsylvania for the State election. They are all rank and notorious Abolitionists. Mr. Ladrett is the most venomous and unscrupulous endorser of Wilmot and his doctrines, and while in the Legislature acted with the Abolitionists, and supported all their principles. He is openly pro Fremont. Thomas E. Cochran, of York, another candidate on the Fusion ticket, is in the Fremont conspiracy. He has stated his determination to vote against Fillmore, and will not deny this when called upon. He has long been the avowed editor of the York Republican, and is, at this day, the covert editor of the same paper which advocates Fremont, while sailing under the Fillmore flag! This is a somewhat sly, but not very honorable trick. Mr. Phelps, the third candidate on this ticket, is an Abolitionist of the W. F. Johnston school, and is of course for Fremont. He resides in Armstrong, where the Abolition Fremont party have abandoned the whole Whig party, and Mr. Phelps is the leader of this party. In Armstrong, there are no Fillmore men in the Fusion ranks. Mr. Phelps has taken care that the Abolition party shall rule all.

Purify Your Blood.

The Wonder of the Nineteenth Century. Important and of great Consideration to the Suffering.

T. A. HURLEY'S SARSAPARILLA. OF all the remedies that have been discovered during the present age for the thousands of ills that flesh is heir to, none equal this wonderful preparation. Only three years have elapsed since the discovery (who spent a decade in studying, experimenting, and perfecting it) first introduced it to the public, and it is already recognized, by the most eminent physicians in all parts of the country to be the most surprising and effective remedy for certain diseases of which they have knowledge. All other compounds or syrups of the root, have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients which neutralize the good effects of the Sarsaparilla, and often times injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will on trial, be found to effect a certain and perfect cure of the following complaints and diseases: Affections of the Bones, Habitual Constiveness, Debility, Indigestion, Diseases of the Kidneys, Liver Complaints, Dropsy, Piles, Erysipelas, Pulmonary Diseases, Female Irregularities, Scrofula or King's Evil, Syphilis, And all Skin diseases.

Besides curing the above, it is also known to be a great and powerful tonic, purifying the blood and invigorating the system. In short, it is, without exception, in the cases mentioned, and its general effect on the system, the most efficacious as it is the most desirable remedy of the age. It is already extensively used throughout the country and is fast obtaining an European reputation. The instances of cures it has effected are daily coming to the proprietors knowledge, and he has no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt. Recollect Hurley's Sarsaparilla is the ONLY GENUINE ARTICLE in the market. Price \$1 per bottle, or six for \$5. This medicine can be procured at all extensive Drug houses. July 4, 1856-1y.
