Purify Your Blood. The Wonder of the Nineteenth Century. Important and of great Consideration to the Suffering. T. A. HURLEY'S SARSAPARILLA. Of all the remedies that have been discovered during the present age for the "thousand ills that flesh is heir to" none equal this wonderful preparation. Only three years have elapsed since the discovery (who spent a decade in studying, experimenting, and perfecting it) first introduced to the public, and it is already recognized, by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other compounds, or syrups of the root, have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients which neutralize the good effects of the Sarsaparilla, and often times injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will not, be found to effect a certain and perfect cure of the following complaints and diseases: Affections of the Bones, Habitual Constiveness, Debility, Indigestion, Diseases of the Kidney, Liver Complaints, Dropsy, Piles, Erysipelas, Pulmonary Diseases, Female Irregularities, Scrotula or King's Evil, Syphilis, And all Skin diseases.

Besides curing the above, it is also known to be a great and powerful tonic, purifying the blood and invigorating the system. In short, it is, without exception, in the cases mentioned, and its general effect on the system, the most efficacious as it is the most desirable remedy of the age. It is already extensively used throughout the country and is fast obtaining an European reputation. The instances of cures it has effected are daily coming to the proprietors knowledge, and he has no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt. Recollect Hurley's Sarsaparilla is the ONLY GENUINE ARTICLE in the market. Price \$1 per bottle, or six for \$5. This medicine can be procured at all extensive Drug Houses. July 4, 1856-ly.
