The following gratifying letter was received by the Secretary of State, day before yesterday. We hasten to lay it before our readers, that the glad tidings may be heard which announce authoritatively that peace and quiet have been restored in Kansas. Comment on the energy, promptness, and firmness on the part of Gov. Geary, which have brought about is his highest eulogium:

EXECUTIVE DEPARTMENT, Lecompton, Kansas, Oct. 10, 1856. Sin: Your letter of the 23d ultimo, in reply

to mine of the 9th, and your telegraphic despatch of the 27th ultimo, in reply to my letter of the 19th, were both received on the evening of the 8th instant.

Dispatches forwarded since the dates of those acknowledged have informed you that peace and quiet have been restored to the Territory. Not only have all large armed bodies of men been dispersed, but the smaller bands of marauders have been driven off. The roads are traveled with safety, and dwellings are secure from intrusion. For upwards of two weeks no outrages have been authentically reported. Many notorious and troublesome agitators, claiming to belong to all parties, have left the Territory, and the beneficent influence of their absence is being already very sensibly felt.

The troops sent to the North have not vet returned. It is my purpose to leave on the northern frontier a considerable portion for its protection; and the remainder of the troops will be employed to guard such other points as may seem to require it. I shall shortly proceed in person with a small body of men to the southern portion of the Territory, in pursuit of a gang of thieves who are said to be pillaging that region.

Very respectfully, your obedient servant, JNO. W. GEARY, Governor of Kansas.

To Hon, WM. L. MARCY, Secretary of State, Washington, D. C.

On the 2nd day of October, 1856, FRANCIS JORDAN, Esq., of Eedford, wrote to Charles Gibbons, of Philadelphia, as follows:—

BEDFORD, Oct. 2, 1856.

CHARLES GIBBONS, Esq-Dear Sir: Your favor of the 30th September, inviting me to Harrisburg on the 8th inst., to make important political arrangements, is just received. I exceedingly regret that prior arrangements make

ossible for me to attend at the time designated. You know my views, but I am afraid you are a little too fast. My conviction is that any such arrangements made before the October Election will injure us here on the County and Stat Ticket. The American Committee meets in your city on the evening of the 16th inst., and I will attend unless Providentially prevented. I had hoped to meet your Committee at that time and to have the necessary arrangements completed. Is not that the proper time?

Mr. King, of this place, says he will meet you on the 7th. Yours, truly,

Now the people of Bedford County very well know that before and after the 2nd day of Cetober, 1856, this same FRANCIS JORDAN was travelling Bedford County making speeches for Filmore. Every Democrat who charged that he was anything else but a Simon-pure Filmore man was denounced. Their leaders in Bedford became violent and furious at the charge. Yet here we see from Mr. JORDAN'S own letter, that before this 2nd day of October, 1856, he had been in correspondence with this same Mr. Gibbons, "YOU KNOW MY VIEWS," "Are you not too fast," "On the 16th and 21st will be the proper time." And why? Because "it would injure the State and county tickets in this county if the Union Ticket should be formed before the October Election."

The Democratic Republican party are now running a Slaveholder, a Know Nothing and a Catholic for President, whose greatest achievement was the capturing of a "woolly horse," and who, by speculating in Cows, and other-fore the October Election."
