Family Four Blood.
The Wonder of the Nineteenth Century. Important and of great Consideration to the Suffering. T. A. HURLEY'S SARSAPARILLA. OF all the remedies that have been discovered during the present age for the various ailments which beset the human system, there is none equal this wonderful preparation. Only three years have elapsed since the discoverer (who spent a decade in studying, experimenting, and perfecting it) first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge. All other compounds or syrups of the root, have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients, which neutralize the good effects of the Sarsaparilla, and often times injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will on trial, be found to effect a certain and perfect cure of the following complaints and diseases: Affections of the Bones, Habitual Costiveness, Debility, Indigestion, Diseases of the Kidneys, Liver Complaints, Dropsy, Piles, Erysipelas, Pulmonary Diseases, Female Irregularities, Scrofula or King's Evil, Syphilis, and all Skin diseases. Besides curing the above, it is also known to be a great and powerful tonic, purifying the blood and invigorating the system. In short, it is, without exception, in the cases mentioned, and its general effect on the system, the most efficacious as it is the most desirable remedy of the age. It is already extensively used throughout the country and is fast obtaining an European reputation. The instances of cures it has effected are daily coming to the proprietors knowledge, and he has no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt. Recollect Hurley's Sarsaparilla is the only genuine article in the market. Price \$1 per bottle, or six for \$5. This medicine can be procured at all extensive Drug Houses. July 4, 1856—1y.

The subscriber offers for sale his Mill Property, situate in Licking Creek Township, Fulton county, one half-mile north of the Turnpike Road and six miles west of McConnellsborg. The Mill is nearly new, is large, and well finished, has overhead wheels, four run of stones, three of which are Burrs, metal gearing, and all necessary machinery for custom or Merchant work, and is capable of doing a large business. The Mansion or Mill tract contains 214 acres and allowance, patented land, 150 of which are cleared, principally good bottom land, suitable for meadow or plough land. The improvements are a good Dwelling house, large Barn, Miller's house, Stables, &c., all built within a few years and in good repair. Also a tract of timber land, adjoining the above, containing 283 acres and allowance, a considerable part of which might be cleared, being land of good quality. Also a small piece of land adjoining the first mentioned tract, containing six acres, purchased for a water right. NEW GOODS.
JUST received, at REED'S New Store, a large and well assorted stock of FALL AND WINTER GOODS, and is now prepared to accommodate his friends and the public generally. To attempt to enumerate the Stock in a newspaper advertisement would be folly, or even give a list of their prices would be useless, for the public would not believe that goods were selling for what we offer them, unless they see for themselves. We do not wish to boast, but would remark that, for variety and cheapness, his stock cannot be beat. The public are respectfully invited to call at REED'S Store and satisfy themselves of the truth of this statement. Call and examine his stock. He will not ask you to buy unless fully satisfied that you can do at least as well, if not better, than any where else. Produce of all kinds taken in exchange for goods. JACOB REED. Oct. 10, 1856.

Last Notice.
The books of the subscriber are in the hands of Sheriff Alsip, where all persons indebted are earnestly requested to call and make payment, on or before the first of March next. All who neglect this notice, may expect to find their accounts in the hands of Henry Nicodemus Esq. for collection, without respect to persons. No longer indulgence can be given. So look out and save costs, or blame yourselves. E. M. FISHER. Dec. 26, 1856.
