"Rev. Sir:-I am sorry to have to inform you of a misfortune that I have met with, viz: 15 68 getting lost in the trackless snow of Crawford county woods. I started on Tuesday morning, Dec. 23, from the Lathrop settlement, for Haney Valley, to attend service there on Wednesday. But I had not proceeded far before my horse's legs were covered with blood from going through the crust on the snow. I tried every possible means to induce him to keep on. both by breaking the crust and walking before him, and by driving, without avail; so I had to tie him to a tree and go in search of a house-Mr. Brown's; but it was near night, and I could not find it, though I knew it was not far off. In this lost and bewildered state I wandered about for five nights and four days, not seeing or hearing a living being or habitation, and with nothing to eat or drink, until I got here on Saturday night, with just enough of life to be 12 00 numbered with the living."
