**AYER'S
CATHARTIC PILLS.**

A safe and singularly successful remedy for the cure of all
Biliousness—Constipation, Indigestion, Jaundice, Dropsy,
Inflammation, Headache, Pain in the Breast, Side, Back, and
Limbs, Female Complaints, &c. &c. Taken very few are the
disease in which a Purgative Medicine is not more or less
required, and such sickness and suffering might be prevented, if a
harmless but efficient Cathartic were more freely used. No per-
son can feel well while a costive habit of body prevails; besides,
it soon generates acrimony and often fatal diseases, which might
have been avoided by the timely and judicious use of a good pur-
gative. This is an allotropic Cathartic, which has been all over
the land. Hence a reliable family supply is of the first impor-
tance to the public health, and this Pill has been prepared with
the consummate skill to meet that demand. As a cathartic, it
surpasses any thing hitherto known, of our medicine. Cures
have been effected beyond belief, were they not substantiated by
persons of such exalted position and character as to forbid the
suspicion of error.

Among the distinguished gentlemen who have testified in favor
of the extraordinary virtues of these Pills we may mention
Dr. A. A. HAYES, Medical Director, of Boston, and State
Assessor of Massachusetts, endorsed by
Hon. RICHARD B. WYMAN, Senator of the United States,
Hon. R. C. WINTHROP, Speaker of the House of Representatives,
Hon. J. B. TRACY, Secretary of the Treasury, New York,
Hon. J. J. JACKSON, Minister Plenipotentiary to England,
Hon. H. H. HENNING, Attorney General of Massachusetts,
Hon. CHAS. T. JACKSON, District Judge of the District of Columbia,
Hon. W. W. WOODRUFF, Secretary of the State of Massachusetts,
Also, Dr. J. B. CHAMBERLAIN, Practical Chemist, of New York City,
endorsed by
Wm. H. SEWARD, Secretary of the United States of America,
Wm. L. MARCY, Secretary of State of the United States,
Vice R. ARNOLD, New York City, the richest man in America,
H. J. RAYMOND, Lieutenant Governor of State of New York,
CHAS. D. BRIDGEMAN, Secretary of the State of New York,
Prof. J. J. TORRY, Prof. of Chemistry and Materia Medica,
College of Physicians and Surgeons in the City of New York,
ALEX. LEITCH, M.D., Professor of Anatomy, Ohio, endorsed by
JAMES M. CATTELL, Chief Justice of the Court of the State of New
York, endorsed by
ALEX. W. BROWN, Ambassador of Russia,
Hon. JOS. M. MANSFIELD, Governor of Ohio,
JAMES HAYDEN, Attorney General of Kentucky,
E. L. COLLIER, Secretary of State for Indiana,
R. S. JUDGE, Judge of Supreme Court of Ohio.

Did you permit, we could give many hundred certificates,
from all parts where the Pills have been used; but extensive evi-
dence is more convincing than the evidence of a hundred men in
their own reports.

These Pills, the result of long investigation and study, are
offered to the public as the best and most complete which the
present state of medical science can afford. They are composed of
the most delicate and purest of the medicinal virtues—only
Vegetable remedies, extracted by chemical process in a state of
purity, and combined together in such a manner as to produce the
best results. This system of combination has been found to be
the most efficient remedy that has hitherto been obtained by any
means in a perfectly safe manner. While the use of many
position, every medicine is laden with more or less of un-
desirable and injurious qualities, by this each individual remedy
only that is desired for the curative effect is preserved. All the
best and choicest qualities of each substance employed are left
entirely unimpaired, and the entire mixture is so prepared as to
be administered in the most agreeable manner. It is so
substantiated by the effects which they have produced, more powerful
remedy than any other medicine known to the world.

As it is frequently expected that any medicine should be taken
under the control of an attending Physician, and as we could not
properly judge of a remedy without knowing its composition, I
have supplied the accurate formula by which both my Patent
Pills and the simple Pills are prepared, and I have also supplied
the United States and British American Provinces. If, however, there
should be any one who has not received them, they will be
promptly forwarded to him on his application.

Of all the Patent Medicines that are offered, few would be
taken if their composition was known. The composition of my
preparations is laid open to all men, and all who are disposed
to judge on the subject freely and honestly, will be satisfied of the
merits of my Pills, and even more so, and will be willing to testify
that their anticipations were more than realized by their expe-
rience.

They operate by their powerful influence on the internal viscera
to purify the blood and neutralize the morbid humors, and to remove
the obstructions of the stomach, bowels, liver, and other organs
of the body, restoring their irregular action to health, and cure by
correct and agreeable means, such acute and chronic diseases as
the first origin of disease.

Being an enveloped, they are pleasant to take, and being purely
vegetable, no harm can arise from their use in any quantity.
Unimpaired health may be attempted to put you off with other
pills, on which they make more profit. Do not depend upon any
such expedients.
For minute directions, see wrapper on the Box.

Purify Your Blood.
The Wonder of the Nineteenth Century.
Important and of great Consideration to the
Suffering.
T. A. HURLEY'S SARSAPARILLA.
OF all the remedies that have been discovered dur-
ing the present age for the "thousand ills that flesh
is heir to" none equal this wonderful preparation.—
Only three years have elapsed since the discoverer
(who spent a decade in studying, experimenting,
and perfecting it) first introduced it to the public, and
it is already recognized, by the most eminent physi-
cians in all parts of the country, to be the most sur-
prising and effective remedy for certain diseases of
which they have knowledge.
All other compounds or syrups of the root, have
hitherto failed to command the sanction of the fac-
ulty, because, on being tested, they have been found
to contain noxious ingredients which neutralize the
good effects of the Sarsaparilla, and often times in-
jure the health of the patient. It is not so with
Hurley's preparation.
This is the pure and genuine extract of the root,
and will on trial, be found to effect a certain and
perfect cure of the following complaints and dis-
eases:
Affections of the Bones, Habitual Costiveness,
Debility, Indigestion,
Diseases of the Kidneys, Liver Complaints,
Dyspepsia, Piles,
Erysipelas, Pulmonary Disease,
Female Irregularities, Scrofula or King's Evil,
Fistula, Syphilis,
And all Skin diseases.
Besides curing the above, it is also known to be a
great and powerful tonic, purifying the blood and in-
vigorating the system.
In short, it is, without exception, in the cases men-
tioned, and its general effect on the system, the
most efficacious as it is the most desirable remedy
of the age. It is already extensively used through-
out the country and is fast obtaining an European
reputation. The instances of cures it has effected
are daily coming to the proprietors knowledge, and
he has no hesitation in recommending it to one and
all who desire to procure relief from suffering. One
bottle being tried, its effects will be too apparent to
admit of further doubt.
Recollect Hurley's Sarsaparilla is the ONLY GENUINE
ARTICLE in the market.
Price \$1 per bottle, or six for \$5.
This medicine can be procured at all exten-
sive Drug Houses.

ing the most promising portion of Nebraska,
embracing the Missouri River counties, and ex-
tending from the Kansas line to the mouth of
the Big Sioux River. These lands are yet un-
cultivated, and offer extraordinary inducements to
those desiring to invest money in lands.
Persons sending me land warrants to locate
for them, may rely upon having their business
promptly attended to, and the best selections of
land made.
My charges are as follows:
For locating 160 acre warrants, \$20 each.
