The Wonder of the Nineteenth Century.  
Important and of great Consideration to the Suffering.  
T. A. HURLEY'S SARSAPARILLA.  
Of all the remedies that have been discovered during the present age for the removal of the flesh impurities, none equal this wonderful preparation—Only three years have elapsed since the discoverer (who spent a decade in studying, experimenting, and perfecting it) first introduced it to the public, and it is already recognized, by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.  
All other compounds or syrups of the root, have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients, which neutralize the good effects of the Sarsaparilla, and often times injure the health of the patient. It is not so with Hurley's preparation.  
This is the pure and genuine extract of the root, and will on trial, be found to effect a certain and perfect cure of the following complaints and diseases:  
Affections of the Bones, Habitual Constipation, Debility, Indigestion, Diseases of the Kidneys, Liver Complaints, Dropsy, Piles, Erysipelas, Pulmonary Diseases, Pruritic Irregularities, Scrofula or King's Evil, Fistula, Syphilis, and all Skin diseases.  
Besides curing the above, it is also known to be a great and powerful tonic, purifying the blood and invigorating the system.  
In short, it is, without exception, in the cases mentioned, and its general effect on the system, the most efficacious as it is the most desirable remedy of the age. It is already extensively used throughout the country, and is fast obtaining an European reputation. The instances of cures it has effected are so numerous, that the proprietors, who have no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt.  
Recollect Hurley's Sarsaparilla is the only one, and the only one, in the market.  
Price \$1 per bottle, or six for \$5.  
This medicine can be procured at all extensive Drug Houses.

**AYER'S CATHARTIC PILLS.**  
A NEW and singularly successful remedy for the cure of all Biliousness—Constipation, Indigestion, Jaundice, Dropsy, Headache, Fever, Hoarseness, Nervousness, Irritability, Dyspepsia, Hemorrhoids, Pains in the Breast, Side, Back and Limbs, Female Complaints, &c., &c. Induced very low down the bowels in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but efficient Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides, it soon generates acrid and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is also true of Colds, Feverish symptoms, and all the dyspepsias. They all tend to become chronic, and produce all the most formidable diseases which lead the way to an early grave. There is a reliable family physic of the first importance to the public health, and this Pill has been perfect with commensurate skill to meet that demand. An extensive trial of its efficacy by Physicians, Professors, and Patients has shown positive superiority over every other Cathartic medicine. Cases have been effected beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of fraud.  
Among the distinguished gentlemen who have testified in favor of the extraordinary virtues of these Pills are the following:
