

Attention!
Delegate Elections.

The Democrats of Bedford County will meet in their respective Townships and Boroughs on SATURDAY the 20th day of June and elect two delegates to meet in Convention at the Court-House in Bedford on the 23rd day of June to select a Ticket to be supported at the next election, and appoint Representative and Senatorial conferees, and perform such other duties as may promote the general good. As this is one of the most important elections that we have ever had, it is earnestly hoped that the masses will give these delegate elections their earnest attention, and thus effect an organization such as cannot fail to result in a glorious Triumph. Let us avoid all wrangling about more men. Many of the aspirants must necessarily be disappointed. This is inevitable—cannot be avoided—and, as either of the candidates named are eminently worthy our hearty and cordial support, let no unkind expressions be uttered against either in the choice of delegates. It would be the pleasure of the democratic party to gratify all the candidates if they possessed the power, and hence the fact of being left off the Ticket will be no reflection upon any one—and the disappointed candidate who gives the Ticket the warmest support will prove himself the most honorable man, and show that his connection with the democratic party is based upon higher and nobler principles than the love of office. What is so pitiful, so degrading, so humiliating to the man who has submitted his pretensions to the decision of a convention, moving about like an evil spirit, dissatisfied with himself and all mankind because some one else has been more fortunate than himself for the time being! But we have no fears of this character on the present occasion, because the candidates are all men possessing a high sense of honor, and thoroughly indoctrinated with the true principles of Democracy. We have no manly party to meet us. Our opposition is made up of low and grovelling FACTIONS, willing to "unite" with the most degraded elements, white, black, or red—infidel, Mormon, or any thing else—to overthrow the great principles which have made us the great people we are; and hence an honest appeal will reach the heart of every patriotic citizen and induce him to rally under the untarnished flag of Democracy, our Country and the Constitution. Whilst the Abolitionists in Massachusetts have passed a law denying the right to vote to a white man who is so unfortunate as to be unable to read and write, the same party in New York have recently moved to confer the right of suffrage upon NEGROES of every grade, thus declaring that negroes are better than white men! Rally, then, Democrats, and discharge your duty in a manner becoming the independent Freeman of Bedford County. The following named persons will superintend the delegate elections, giving proper notice, &c:

Bedford Borough—Hugh Moore, G. H. Spang, John Moore.
Bedford Township—J. T. Coburn, M. Holdersbaum, John Sansom.

The Wonder of the Nineteenth Century.
Important and of great Consideration to the Suffering.

T. A. HURLEY'S SARSAPARILLA.
OF all the remedies that have been discovered during the present age for the "thousand ills that flesh is heir to" none equal this wonderful preparation.—Only three years have elapsed since the discoverer (who spent a decade in studying, experimenting, and perfecting it) first introduced it to the public, and it is already recognized, by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other compounds or syrups of the root, have hitherto failed to command the sanction of the faculty, because, on being tested, they have been found to contain noxious ingredients which neutralize the good effects of the Sarsaparilla, and often times injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will on trial, be found to effect a certain and perfect cure of the following complaints and diseases:

- Affections of the Bones, Habitual Constiveness, Debility, Indigestion, Diseases of the Kidneys, Liver Complaints, Dropsy, Dispepsia, Pulmonary King, Female Irregularities, Serofula or King's Evil, Syphilis, And all Skin diseases.
- Besides curing the above, it is also known to be a great and powerful tonic, purifying the blood and invigorating the system. In short, it is, without exception, in the cases mentioned, and its general effect on the system, the most efficacious as it is the most desirable remedy of the age. It is already extensively used throughout the country and is fast obtaining a European reputation. The instances of cures it has effected are daily coming to the proprietors' knowledge, and he has no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt.

Recollect Hurley's Sarsaparilla is the ONLY GENUINE ARTICLE in the market.
Price \$1 per bottle, or six for \$5.
This medicine can be procured at all extensive Drug Houses.

AYER'S CATHARTIC PILLS.

A new and singularly successful remedy for the cure of all Bilious diseases—Constipation, Indigestion, Headache, Dropsy, Rheumatism, Fever, Cough, Hæmorrhoids, Nervousness, Irritability, Inflammation, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c., &c. Indeed, very few are the diseases in which a Purgative Medicine is not very soon or less required, and none so delicate and suffering ought to be denied it. A harmless but efficient Cathartic were more truly used. No person can feel well while a clogging habit of body prevails; but if it soon separates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is the true Cathartic. It is a new discovery, and has been prepared by eminent chemists, and is of a most delicate and agreeable nature. It is a safe and reliable family physic, and the first impression on the public has been such as to excite the most favorable and enthusiastic testimonials. An extensive trial of its virtues by Physicians, Professors, and Patients has shown results surpassing any thing hitherto known of any medicine. All have been effected beyond belief, were they not substantiated by persons of such elevated position and character as to forbid the suspicion of imposture.

Among the distinguished gentlemen who have testified in favor of the extraordinary virtues of these pills are the following:
Dr. A. A. HAYS, Analytical Chemist, of Boston, and State Assayer of Massachusetts, endorsed by
Hon. Levi W. FOSTER, Senator of the United States.
Hon. R. C. WINTHROP, Speaker House of Representatives.
AGENTS FOR THE SOUTHERN STATES:
John B. FRYE, Esq., Catholic Bishop of Boston.
Dr. C. S. J. JONES, Geologist of the Public Lands of the United States, Director of the Geologic Survey of the United States, Director of the Geologic Survey of the United States.
Hon. H. F. CROCKER, Lieutenant-Governor of Massachusetts.
E. M. WARD, Secretary of the State of Massachusetts.
Hon. J. R. CHILDS, Treasurer of the State of New York, endorsed by
Hon. H. SWANN, Senator of the United States of America.
Wm. M. MANN, Secretary of State of the United States.
Wm. H. ASPEN, New York City, the richest man in America.
J. L. RICHMOND, Lieutenant-Governor of the State of New York.
GEO. HOFFMAN, Attorney General of the State of New York.
Prof. J. C. COLEMAN, Professor of the Astor House, New York.
Hon. J. M. LOVELL, Cincinnati, Ohio. Endorsed by
JOHN M. CALHOUN, President of the United States.
THOMAS CORNELL, Secretary of Treasury of U. S. A.
ALLEN D. BROWN, Ambassador of Russia.
Hon. JAMES M. WADSWORTH, Governor of New York.
JAMES HENRY, Attorney General of Kentucky.
E. R. ORANGE, Esq., of State for Indiana.
R. SWANN, Judge of Supreme Court, Cincinnati.
This space, nearly as well as any other, has been filled with certificates, from all parts where the Pills have been used; but, without even more convincing than the experience of cultured public men is found in their offices.

These Pills, the result of long investigation and study, are offered to the public in the best and most complete form. They are composed of the most delicate and pure ingredients, and are entirely free from any of the dangerous and deleterious effects of the ordinary cathartics. They are a safe and reliable family physic, and the first impression on the public has been such as to excite the most favorable and enthusiastic testimonials. An extensive trial of its virtues by Physicians, Professors, and Patients has shown results surpassing any thing hitherto known of any medicine. All have been effected beyond belief, were they not substantiated by persons of such elevated position and character as to forbid the suspicion of imposture.
