**Combined REAPER AND MOWER.**

Patented by J. H. MANN, Sept. 22, 1851, April 12, 1852, June 21, 1853, March 29, 1854, Oct. 15, 1854, and by WALTER A. WOOD, 24th day of June and 1st day of July, 1856. The best combined MACHINE ever invented.

From the success of last year's operations I take pleasure in announcing this Machine to the Farmers for the next Harvest, and feel assured it will fully meet their highest expectations. It is easily managed, cuts clean and easy, is of light draft, and readily changed from a Reaper to a Mower, and vice versa, requiring not more than a minute to make the change. The alterations from last year are as follows, viz: All the Journals will be Case-hardened, the

**SHOES, GUARDS AND GEARING,** will be built of the best Salisbury Iron, and wrought iron substituted for cast in several places. The Machine is made to mow lodged clover without obstruction, by simply removing four bolts and leaving off a part of the frame work. With these alterations and improvements the machine will be stronger than heretofore, when it was the only reliable

**COMBINED REAPER AND MOWER** made. The Machine is warranted capable of cutting from ten to fifteen acres of grass or grain per day, in a workman-like manner.

N. B. Parties manufacturing Reaping or Mowing Machines, using WOOD'S PATENTS, are cautioned against their further use, and are hereby notified that payment will be exacted to the full extent for the use heretofore made of them.

For further particulars the Farmers are respectfully invited to call upon **Blymire & Hartley,** Agents for Bedford County, Pa., who will furnish Pamphlets containing Certificates, &c.

Messrs. Blymire & Hartley:

Gentlemen:—I purchased one of Manny's Reaping and Mowing Machines last year. Its reputation being the highest, and having seen it cut grain to my entire satisfaction, I bought it after grain harvest. My hay was cut with it; and, from its admirable adaptation to the purposes intended—having fully equalled the representation—I am pleased to recommend it to the farmers of Bedford County as an excellent Mower and Reaper, believing it fully worth the price asked as a Mower alone.
