pensed with. But New York being the great com mercial and business centre of this Continent, no far-mer, mechanic, professional man, or merchant is properly prepared for the emergencies of his calling, u

less he is in communication with New York City, by means of one of its first class Newspaper mediums. Such a medium is our (LEDGER,' neutral in politics but giving all the facts items of news and thrilling incidents worth knowing throughout the country.

A VALUABLE GIFT Each new subscriber will receive with the first No. of his or her paper, one of the new and beautiful glass pointed pencils, just imported from Europe, and for which we have obtained the exclusive agency for this country. This is the most ingenious and useful little improvement of the present age, and is the only pen-cil ever made that will write with ink, making it both a pen and pencil of the finest quality at the same tsme. It will last for years, and for practical use is worth more than any gold pen in market.
