AT HOME AND ABROAD.

The horrible in newspapers .- We are often asked why we do not publish detailed accounts umns of many of our cotemporaries. We now the School. propose to give an answer to the inquiries made in reference to this subject, which we hope will forever exonerate us from the unpleasant task of the doctrine of that poet who tells us:

"Vice is a monster of such frightful mien.
As to be hated needs but to be seen,

But seen too oft, familiar with its face,

We first endure, then pity, then embrace !" nor could we refrain from thinking, should we effects of civilization. nor could we refrain from thinking, should we hear of a crime committed in our community, the three hours that it continued, resembled rational was a singular affair, and for the interview was a singular affair.

Therefore, we cannot find it in our heart, to give place in our Gen. Denver, last September, on the occasion of not find it in our heart, to give place in our paper to the thousand and one shocking and obscene stories which make up the criminal to visit their Great Father, the President, and romance of our country. We could not issue also to see the settlements of their white brethour paper without a blush, were we to do so, ren. in order that they might note the beneficent

that, perhaps, the criminal was strengthened in ther a Quaker meeting, than the visit of an ordihis evil resolve, by the exciting description of nary Indian delegation. Instead of the usual Jan. 15, 1858. W.M. M. HALL. some deed similar to his own which may have met his eye in our columns. This, then, is one met his eye in our columns. This, then, is one reason, and an all-sufficient one it is; for excluding from the newspaper the sort of matter under consideration. It is a reason which morality assigns and one which will be readily acknowledged as perfectly sound and valid by all good for the distribute the money in the hands of the payments of the payments of the source for the Supreme Being, and for the officers of Government, whom they look upon as the medium of that Being. Fourteen or fifteen minutes at a time they gazed fixedly upon fifteen minutes at a time they gazed fixedly upon the moderning appointments on him huggings, kissings, and end auditor to distribute the money in the hands of Joh Mann, E-q., administrator of the estate of Jos. L. Morrison, dec'd—hereby gives notice that he will never all parties interested at his office, in Bedford, on Thursday, the 21st January, 1858, at 10 o'clock, A. M.

JOHN MOWER.

Jan. 15, 1858.

Auditor. assigns and one which will be readily acknowledged as perfectly sound and valid by all good and honest people. Another objection to this system of retailing accounts of revolting crimes in the columns of a public newspaper, is suggesting the columns of a public newspaper, is suggesting the columns of a public newspaper, is suggesting the columns of a public newspaper, and at the good at ed by the fact that there is always enough useful and amusing reading matter to be found by the editor to fill his sheet, and such, too, as will the editor to fill his sheet, and such, too, as will collar, through their contact with the painter of the painter of the interview. The editor to fill his sheet, and such, too, as will collar, through their contact with the painter of the painter of the interview. possess a deep interest for all well regulated possess a deep interest for all well regulated faces of the braves in the course of the repealed up to \$5, \$10, \$15, \$20, \$25, \$30, \$50, \$75, \$100,

possess a deep interest for all well regulated minds. Hence, if even the criminal literature (if we may be allowed the expression) were not noxious in its influence, the editor would still be in doty bound to exclude it, in order to make room for that which demands a place in his journal, by virtue of its ministration to the happiness of the people.

Let none, therefore, expect us to tarnish our pages with a weekly record of all the horrible crimes that hang a cloud of blackness between heaven and earth. Rather than thus violate our sense of propriety, we would sell our type to a broken ironmaster and sink our press under the waters of the Juniata.
